This notice affects Canadian List of Lights and Fog Signals No. 499.

II. MARKING OF BEACON ROCK.

The reference to Nicol Rock, at the head of page 4 of Notice to Mariners No. 54 of 1891, should be to Beacon Rock. There was no iron beacon on Nicol Rock. The Beacon Rock beacon has been carried away and replaced by a square wooden platform buoy.

The dredging of Nicol Rock to a depth of 14 feet is now completed, and further dredging is in progress.

Erratum.—In the first line of Notice to Mariners No. 62 of 1891, Part II, the reference to Notice to Mariners No. 18 of 1891 should have been to Notice No. 19 of 1891.

WM. SMITH,

VISIBILITY OF BRIDGES POINT LIGHT.

Referring to Notice to Mariners No. 60 of 1891, describing the light lately put in operation at Bridges Point, on the River St. John, New Brunswick, the following corrections should be made in that notice:—

The light should be visible 12 miles, or such less distance as the sinuosities of the stream will allow, from all points of approach by water, both up and down the river.

The height of the lantern from its base to the vane on the lantern is 30 feet and the name of the Island opposite to the light is Gilbert's or Manger's Island.

DEMANDES AU PARLEMENT.

RÈGLES RELATIVES AUX AVIS DE BILLS PRIVÉS.

Dans le cas de toute demande de bill privé, proprement du ressort législatif du Parlement du Canada suivant les dispositions de l'Acte de l'Amérique Britannique du Nord, 1867, et ayant pour objet, soit la construction d'un pont, d'un chemin de fer, d'un chemin à barrières ou d'une ligne télégraphique ; soit la construction ou l'amélioration d'un port, d'un canal, d'une écluse, d'une digue ou d'une glissoire ou autre ouvrage semblable ; soit la concession d'un droit de passage d'eau, l'incorporation de professions ou métiers, ou d'une compagnie de banque ou autre compagnie par actions, soit la concession à une ou plusieurs personnes de certains droits ou privilèges exclusifs ou particuliers, soit le pouvoir de faire quelque chose qui, dans ses effets, pourrait toucher aux droits ou à la propriété d'autrui, ou concerner une classe particulière de la société ; ou ayant pour objet quelque amendement de même nature à un acte antérieur,—un avis, énonçant d'une manière claire et intelligible la nature et l'objet de la demande, et signé (excepté s'il s'agit de corporations déjà existantes) par les pétitionnaires ou de leur part, est nécessaire et doit être publié comme il suit :—

Dans les provinces de Québec et du Manitoba.

Un avis doit être inséré dans la *Gazette du Canada* en anglais et en français, ainsi que dans un journal anglais et un journal français du district intéressé, ou en anglais et en français dans le même journal, s'il ne s'en publie qu'un seul dans ce district ; ou s'il n'y paraît pas de journal, alors la publication de l'avis en anglais et en français doit se faire dans un journal du district le plus voisin où il s'en publie.

Dans les autres provinces ou territoires.

Un avis doit être inséré dans la *Gazette du Canada*, et dans un journal du comté, du district ou des comtés-unis intéressés, ou s'il n'y paraît pas de journal alors la

publication doit se faire dans un journal du comté ou district le plus voisin où il s'en publie.

La publication de ces avis durera, dans chaque cas, la période de deux mois pendant l'intervalle de temps qui s'écoulera entre la clôture de la session précédente et la prise en considération de la pétition. Un exemplaire des numéros des journaux, reproduisant la première et la dernière insertion de l'avis, devra être transmis au greffier de chaque Chambre.

Si la pétition demande l'autorisation de présenter un bill privé ayant pour objet la construction d'un pont de péage, le pétitionnaire ou les pétitionnaires devront, en même temps qu'ils donneront l'avis prescrit par la règle précédente, donner aussi, de la même manière, avis des péages qu'ils entendent exiger, de l'étendue du privilège, de la hauteur des arches, de l'espace à laisser libre entre les culées ou les piliers pour le passage des radeaux et des navires ; et mentionner de plus s'ils se proposent de construire un pont mobile, et quelles en seront les dimensions.

Toute personne désirant obtenir un bill privé devra, dans les huit jours qui précéderont l'ouverture du parlement, déposer au bureau du greffier de la Chambre dans laquelle le bill doit prendre naissance, une copie de ce bill en langue anglaise ou en langue française, avec une somme suffisante pour en payer la traduction et l'impression. Il en sera imprimé 600 exemplaires en anglais et 200 en français ; la traduction devra être faite par les officiers de la Chambre, et l'impression par l'entrepreneur des impressions. Le pétitionnaire aura aussi à payer au greffier du Sénat, ou au comptable de la Chambre des Communes (selon le cas) une somme de \$200, plus le coût de l'impression de l'acte dans les Statuts, et remettra le reçu de ce paiement au greffier du comité auquel ce bill aura été renvoyé—le dit paiement sera effectué immédiatement après la seconde lecture avant la prise en considération du bill par le comité.

L'honoraire payable sur tout bill privé, ne sera payé que dans la Chambre où il a pris naissance.

Aucune pétition pour l'obtention d'un bill privé ne sera reçue par l'une ou par l'autre Chambre après les dix premiers jours de la session.

EDOUARD J. LANGEVIN,

Greffier du Sénat.

JOHN GEORGE BOURINOT,

Greffier des Communes.

RÈGLES ADDITIONNELLES DE LA CHAMBRE DES COMMUNES CONCERNANT LES BILLS PRIVÉS.

Tous les bills privés demandant des actes constitutifs devront être rédigés de manière à y incorporer, en les spécifiant, les clauses des Actes généraux concernant les détails qui font l'objet de ces bills ; des raisons spéciales seront données chaque fois que l'on aura l'intention de se départir de ce principe, ou que l'on voudra y introduire d'autres dispositions touchant ces détails ; et une note sera annexée au bill indiquant les dispositions au sujet desquelles l'on entend s'écarter de l'Acte général ; les bills qui ne seront pas rédigés conformément à cette Règle, devront être remodelés par les auteurs et réimprimés à leurs frais, avant qu'aucun comité en examine les clauses.

51a. Tous les bills privés pour chartes ou pour modification de chartes de compagnies de chemins de fer seront rédigés conformément au bill-modèle adopté par la Chambre, le 23 juin 1887, dont copie peut être obtenue du greffier de la Chambre ;

(a.) Les dispositions contenues dans un bill quelconque qui ne seront pas conformes au bill-modèle, seront insérées entre crochets, et après avoir été revues par l'officier compétent, elles seront imprimées ainsi ; et les bills qui ne seront pas rédigés en conformité de cette règle seront renvoyés aux auteurs pour être remodelés avant leur revision et impression.

(b.) Toutes clauses d'actes existants que l'on proposera de modifier, seront imprimées en entier, avec les amendements insérés en leur lieu et place, et entre crochets ;

(c.) Toutes dispositions exceptionnelles que l'on proposera d'insérer dans un bill quelconque, seront imprimées dans l'avis publié.

51b. Nul bill pour la constitution légale d'une compagnie de chemin de fer ou pour changer le tracé du chemin de fer d'une compagnie déjà constituée ne sera pris en considération par le comité des chemins de fer

à moins qu'il n'ait été donné au comité, au moins une semaine avant la prise en considération du bill—

(a.) Une carte ou plan à l'échelle de pas moins d'un demi-pouce au mille, indiquant le territoire sur lequel l'on se propose de construire les travaux projetés, ainsi que les lignes de travaux analogues existants ou autorisés, dans les limites du district, ou partie du district que la ligne projetée doit desservir, ou affectant le dit district en aucune manière; cette carte ou plan devra être signé par l'ingénieur ou toute autre personne qui l'aura fait;

(b.) Un exhibit faisant connaître le montant total du capital que l'on se propose de prélever pour les fins de l'entreprise, et la manière dont on se propose de le prélever, soit au moyen d'actions ordinaires, obligations, débiteures ou autres garanties, et le montant respectif de chacune.

JOHN GEORGE BOURINOT,
Greffier des Communes.

SUBSTANCE DES RÈGLES ET FORMES DE PROCÉDER DU
SÉNAT CONCERNANT LES BILLS DE DIVORCE.

L'époux qui a l'intention de demander un bill de divorce doit faire connaître cette intention, ainsi que les noms de l'autre époux et la cause du divorce, par avis inséré, durant trois mois, entre l'expiration de la dernière session parlementaire avant l'avis et la présentation de sa pétition pour obtenir le bill, dans la *Gazette du Canada* et dans deux journaux du district où il avait sa résidence habituelle à l'époque de séparation d'avec son conjoint, s'il résidait alors dans la province de Québec, le Manitoba, la Colombie-Britannique ou les Territoires du Nord-Ouest,—ou du comté ou des comtés-unis, s'il résidait dans une autre province; mais si ce nombre de journaux ne s'y trouve pas, l'avis sera publié dans le district, le comté ou les comtés-unis voisins. Dans les provinces de Québec et de Manitoba, les insertions seront faites dans un journal anglais et un journal français, s'il en existe des deux langues dans le district; autrement, elles se feront en anglais et en français au même journal.

Il doit être signifié, à la diligence de l'époux pétitionnaire, un mois au moins avant la présentation de la pétition, une copie de cet avis à l'autre époux en personne, si cela est possible.

Aucune pétition en divorce n'est reçue après l'expiration des trente premiers jours de la session.

Toute pétition en divorce devra être écrite lisible et porter la signature du pétitionnaire. Elle énoncera sommairement le fait du mariage, le lieu et l'époque de sa célébration, les noms du célébrant, les griefs qui donnent lieu à la demande de redressement et la nature du redressement demandé, et en outre contiendra assurance qu'il n'y a pas eu réconciliation, collusion ni connivence. Les allégations de la pétition seront appuyées de la déclaration du pétitionnaire, faite en vertu de "l'Acte concernant les serments extrajudiciaires."

Huit jours avant l'ouverture du Parlement, le pétitionnaire déposera au bureau du greffier du Sénat, une copie en langue anglaise ou française du bill de divorce qui doit être présenté, et en même temps une somme suffisante pour payer la traduction et l'impression et tirage à 600 exemplaires anglais et 200 exemplaires français de ce bill.

La pétition en obtention d'un bill de divorce n'est présentée que lorsque le pétitionnaire a versé au bureau du greffier du Sénat une somme de \$200.

La pétition, au moment de sa présentation, doit être accompagnée de la preuve de la publication d'avis, d'une déclaration qu'il a été signifié une copie de l'avis, et d'une copie du bill qui doit être présenté.

ORDERS IN COUNCIL.

AT THE GOVERNMENT HOUSE AT OTTAWA.

Monday, the 4th day of January, 1892.

PRESENT :

HIS EXCELLENCY THE GOVERNOR GENERAL
IN COUNCIL.

HIS Excellency having in view the more efficient protection of the fish in the Province of Manitoba and in the North-West Territories is pleased, under the authority conferred upon him by "The Fisheries Act," chapter 95 of the Revised Statutes, and by and with the advice of the Queen's Privy Council for Canada, to order that the Fishery Regulations for the Province of Manitoba and the North-West Territories, established by the Order in Council of the 18th July, 1889, chapter 74 of the Consolidated Orders in Council of Canada, and the Order in Council of the 14th March, 1890, shall be and the same are hereby rescinded, and that the following be substituted in lieu thereof :—

REGULATIONS RELATING TO FISHING IN
MANITOBA AND THE NORTH-WEST
TERRITORIES.

1. There shall be two kinds of licenses for fishing in the Province of Manitoba and the North West Territories, to be designated "commercial licenses" and "domestic licenses" ; which licenses shall be issued to resident British subjects only, and who are the actual owners of the fishing gear included in such license.

2. Every company, firm, trader, or person, fishing for trade and commerce in that part of Lake Winnipeg hereinafter specified, shall have a "commercial license," and the applicant for such license shall, in the application thereof, mention the number of tugs, or other boats, to be employed under such license, as well as the length, size, and description of nets to be used, and that such license is applied for the purpose of fishing in Lake Winnipeg only, and outside the excluded limits, as shown on the map descriptive of Lake Winnipeg, which accompanied the Annual Fisheries Report of 1890.

3. No fishing tug shall fish with more than 10,000 yards of gill-nets, and no sailing or trading boat shall fish with more than 3,000 yards of gill-nets, and all gill-nets so used shall be not less than five (5) inches extension measure in the size of the mesh.

4. The fee payable on a "commercial license" for gill-net fishing shall be, for every fishing tug included in such license, \$20, and in addition a fee of \$2 for every 1,000 yards of net included in the license; and for every sailing, trading, or other fishing boat, included in a "commercial license," a fee of \$10 shall be paid, which shall include a limit of 3,000 yards of net to each boat; but in no case shall a "commercial license" be granted to any one company, firm, trader, or person for the use of more than in the whole 40,000 yards of net, and no company, firm, trader, or person shall have, or be interested in more than one "commercial license."

5. To prevent the great destruction of fish, in many cases unfit for the market, or for human food, caused by catching them in gill-nets during inclement weather, "commercial licenses" for gill-net fishing in Lake Winnipeg will not be granted after the season of 1893.

6. Every farmer, settler, or *bond fide* fisherman, Indian or half-breed, who is an actual resident of the locality where he proposes to fish, shall be entitled to a "domestic license." The holder of a "domestic license" (except in the case of a license for seine fishing), shall be entitled to fish with not more than 300 yards of net. A fee of \$2 shall be paid for each "domestic license."

Applicants for "domestic license" shall describe in their applications the locality, and the nets or other apparatus which they desire included in the license, and also the kinds of fish they desire to be licensed to catch.

Nets for catching whitefish, trout, or tullibee, or nets used on the grounds usually frequented by these fish, shall have a mesh of not less than 5 inches extension measure; provided that when the applicants apply for a license to fish for other fish than the above named in a locality not frequented by whitefish, tullibee, or trout, then the mesh may be not less than 4 inches extension measure.

A "domestic" fishing license may be granted for any of the waters of Manitoba and the North-West Territories; provided, however, that no description of net, or other fishing apparatus, whatsoever, shall be used under a "domestic" or other license, within a radius of half a mile of the mouth or outlet of any river, or stream, flowing into or out of any of the lakes of Manitoba or the North-West Territories.

7. The holder of a "domestic license" for net fishing for sturgeon, shall be entitled to use not more than 300 yards of gill-net, with a mesh of not less than 12 inches extension measure.

A fee of \$2 shall be paid for each such license.

8. The holder of a "domestic license" for seine fishing shall be entitled to use a seine net exceeding 60 yards in length, with the mesh not less than 4 inches extension measure.

A fee of \$25 shall be paid for each such license.

9. No "commercial" or "domestic license" shall be issued until the fees therefor have been paid; such fees being payable strictly in advance.

10. Fishing by means of nets or other apparatus, without leases or licenses, is prohibited in the waters of Manitoba and the North-West Territories.

11. The following shall be the close seasons during which the several fish herein mentioned shall not be fished for, caught, killed, bought, sold or had in possession by anyone whomsoever:—

(1.) Whitefish, salmon trout or lake trout, and tullibee, between the 5th day of October and the 15th December in each year, both days inclusive:

(2.) Pickerel (*doré*), gold-eyes, pike, mullets, and maskinongé, between 15th April and 15th May, both days inclusive:

(3.) Speckled trout of every kind, between 15th September and 1st May, both days inclusive:

(4.) Sturgeon, between 15th May and 15th July in each year, both days inclusive:

12. Seines, nets, or other apparatus, used for catching fish shall be so raised or adapted as to admit of the free passage of fish through, by, or out of the same, from six o'clock on every Saturday afternoon to six o'clock on every following Monday forenoon, and during such close time no one shall catch fish by any means whatsoever; and any fish so taken, caught or killed, together with the nets or other apparatus used shall be forfeited.

13. All licenses shall be issued annually and shall be in force for the periods hereinafter mentioned, subject, however, to the laws and regulations that may from time to time be in force respecting close seasons, viz.:—"Commercial licenses" from 1st May to 4th October following, both days inclusive; "domestic licenses" from the 15th December to 4th October following, both days inclusive.

14. No one shall use a bag-net, trap-net or "fish-pound," for capturing fish in the waters of Manitoba or the North-West Territories, except under the following conditions:—

The holder of a "commercial license" issued for that purpose, may engage in pound-net fishing after the season of 1893, within the prescribed limits for fishing under "commercial licenses," in Lake Winnipeg only:

Provided that no company, firm, trader, or person, shall use, or be licensed to use more than four pound-nets; and provided also that no company, firm, trader or person shall at the same time hold licenses for the use of both gill-nets and pound-nets.

The mesh of pound or trap-nets of every description shall be not less than four and one-half inches extension measure in the "pots," "pounds," "hearts," and "tunnels," and not less than seven inches in the "bar" or "leader,"—double-headed pounds are hereby prohibited.

The fee payable on a "commercial license" for pound-net fishing shall be \$50 for each pound-net included in the license, together with a fee of 10 cents for every fathom length of the leader to such net.

15. Lime, chemical substances, or drugs, poisonous matter, dead, or decaying fish, offal of fish, saw-dust and mill rubbish, or any other deleterious substances, shall not be thrown into, or be allowed to pass into, or be left or remain in any water frequented by fish in Manitoba and the North-West Territories; and any person violating this regulation shall incur a penalty not exceeding one hundred dollars.

16. These regulations shall apply to Indians and half-breeds, as well as to settlers and all other persons: provided always, that the Minister of Marine and Fisheries may from time to time set apart for the exclusive use of the Indians, such waters as he may deem necessary, and may grant to Indians or their bands, free licenses to fish during the close seasons, for themselves or their bands, for the purposes of providing food for themselves, but not for the purpose of sale, barter or traffic.

17. The use of explosive materials of any kind to catch or kill fish is prohibited in the waters of Manitoba and the North-West Territories, and the use of spears, grapnel-hooks, negogs, nishagans and fire-arms for killing fish is also prohibited:

Provided always, that special licenses may be issued to Indians or Indian bands permitting them to catch and kill fish in the manner specified in such license for the sole purpose of providing themselves or their bands with food.

18. No trader, peddler, hawker, or any other person whomsoever, shall engage in buying, trading, or otherwise obtain or be in possession of fish of any description, caught or killed by Indians, half-breeds, or any other person whomsoever, on any Indian reserve, or elsewhere, during the close seasons fixed

by law, and in which Indians are permitted by license or otherwise to catch fish for the sole purpose of providing food for themselves or their bands.

19. For the information of persons obtaining licenses under these regulations, every license shall have the regulations printed upon it.

20. The Minister of Marine and Fisheries having determined that it is necessary in the public interest, every dam, slide, or other obstruction, made or to be made, across or in any river or stream in Manitoba or the North-West Territories, shall have the necessary fish-pass as provided by section 13 of the Fisheries Act, and no net or other device shall be used to catch or kill fish, or obstruct their passage up or down any river or stream within 200 yards of any such dam, slide, sluice or fish-pass therein; nor in any other parts of such rivers and streams, without leaving at least one-half of the main channel thereof wholly freed from the operations of any such net, or other device, as aforesaid.

21. These regulations shall supersede all former regulations heretofore made under the Fisheries Act, which relate to the fisheries in the waters of Manitoba and the North-West Territories of Canada, and such former regulations are hereby repealed.

22. All materials, implements or appliances used and all fish caught, taken or killed in violation of these regulations shall be seized and confiscated, and any person or persons, violating these regulations shall incur the penalties provided by the Fisheries Act.

NOTICE TO MARINERS.

No. 66 of 1891.

VISIBILITY OF BRIDGES POINT LIGHT.

Referring to Notice to Mariners No. 60 of 1891, describing the light lately put in operation at Bridges Point, on the River St. John, New Brunswick, the following corrections should be made in that notice:—

The light should be visible 12 miles, or such less distance as the sinuosities of the stream will allow, from all points of approach by water, both up and down the river.

The height of the lantern from its base to the vane on the lantern is 30 feet and the name of the Island opposite to the light is Gilbert's or Manger's Island.

The proper place for this light to be entered in the List of Lights, is after 468*a*. It should therefore be numbered 468*b*.

WM. SMITH,
Deputy Minister of Marine.

Department of Marine,
Ottawa, Canada, 14th December, 1891.

 All bearings are magnetic and are given from seaward, miles are nautical miles, heights are above high water, and all depths are at mean low water.

Pilots, masters, or others interested are earnestly requested to send information of dangers, changes in aids to navigation, notice of new shoals or channels, errors in publications, or any other facts affecting the navigation of Canadian waters, to the Deputy Minister of Marine, Ottawa, Canada. 26-3

NOTICE TO MARINERS.

No. 65 of 1891.

I. RACE ROCKS FOG WHISTLE AGAIN IN OPERATION.

The fog whistle at Race Rocks light station, in the Strait of Juan de Fuca, British Columbia, which had been temporarily discontinued for repairs, was again put in operation on the 10th November last.

This notice affects Canadian List of Lights and Fog Signals No. 499.

II. MARKING OF BEACON ROCK.

The reference to Nicol Rock, at the head of page 4 of Notice to Mariners No. 54 of 1891, should be to Beacon Rock. There was no iron beacon on Nicol Rock. The Beacon Rock beacon has been carried away and replaced by a square wooden platform buoy.

The dredging of Nicol Rock to a depth of 14 feet is now completed, and further dredging is in progress.

Erratum.—In the first line of Notice to Mariners No. 62 of 1891, Part II, the reference to Notice to Mariners No. 18 of 1891 should have been to Notice No. 19 of 1891.

WM. SMITH,
Deputy Minister of Marine.

(3) Géographie physique, particulièrement de la Puissance du Canada et des Etats-Unis.....	1000
(a) Examen d'après les aperçus de géographie physique de Colton (<i>Colton's Outline of Physical Geography</i> .)	
(4) Histoire d'Angleterre et du Canada, limitée à certaines périodes déterminées.....	1000
(a) Examen sur l'histoire de l'Empire Britannique comprenant la partie qui embrasse la période des Stuart et des Brunswick, et sur l'histoire du Canada depuis 1812 jusqu'à nos jours (auteurs suivis dans nos écoles.)	
(5) Grammaire française et traduction de l'anglais en français ou du français en anglais.....	1200
(6) Latin : comprenant les Commentaires de César, livre IV du chapitre XX au chapitre XXXVIII (inclusivement). Livre V jusqu'à la fin du 23e chapitre, et les 1re, 4e, 6e, 7e et 9e Eglogues de Virgile. La traduction de ces auteurs se fera en anglais et en français au choix du candidat.....	1500
(7) Dessin : esquisse d'un modèle et avec ombre ; dessin d'objets simples d'après nature.....	1000
(8) Dessin géométrique élémentaire.....	1000

Il sera permis aux candidats de se servir à leur examen sur ce sujet (8) d'une planche à dessiner et des autres instruments qu'ils jugeront à propos. Les instruments considérés comme nécessaires mais non indispensables sont : un compas à branche mobile à pointe de plume et de crayon, une règle plate, une paire de règles pareilles et un triangle rectangulaire.

A l'exception des mathématiques et le dessin les points obtenus sur un sujet facultatif ne pourront compter en faveur d'un candidat s'il n'a pas au moins obtenu le tiers des points alloués pour ce sujet.

Les points gagnés sur les sujets obligatoires seront ajoutés à ceux gagnés sur les sujets facultatifs, et le tout formera un second total.

Il est entendu que les candidats parlant la langue anglaise se serviront des questions préparées dans cette langue, et que les candidats parlant la langue française, se serviront des questions préparées en français. Le but de cette permission est de donner aux candidats la facilité d'écrire leurs réponses, quand la nature de la question n'exige pas de faire autrement, dans la langue qui leur est la plus familière, de l'anglais ou du français.

Le degré de connaissance de l'anglais qui sera exigé pour le présent des candidats qui parlent le français, sera de parler et d'écrire suffisamment l'anglais afin de comprendre et pour être compris dans cette langue.

Les candidats doivent transmettre leur demande à l'adjutant-général, Ottawa, avant le 1er mai, afin qu'il soit pris des mesures pour leur examen en juin.

NOTE.—Les candidats, après avoir subi leur examen, pourront garder la série des questions qu'ils leur seront posées, pourvu que les papiers ne comportent aucune écriture ou griffonnage, ce dont l'officier préposé à la surveillance de l'examen devra s'assurer; après quoi il mettra ses initiales sur les papiers que les candidats désireront garder.

DEMANDES AU PARLEMENT.

RÈGLES RELATIVES AUX AVIS DE BILLS PRIVÉS.

Dans le cas de toute demande de bill privé, proprement du ressort législatif du Parlement du Canada suivant les dispositions de l'Acte de l'Amérique Britannique du Nord, 1867, et ayant pour objet, soit la construction d'un pont, d'un chemin de fer, d'un chemin à barrières ou d'une ligne télégraphique ; soit la construction ou l'amélioration d'un port, d'un canal, d'une écluse, d'une digue ou d'une glissoire ou autre ouvrage semblable ; soit la concession d'un droit de passage d'eau, l'incorporation de professions ou métiers, ou d'une compagnie de banque ou autre compagnie par actions, soit la concession à une ou plusieurs personnes de certains droits ou privilèges exclusifs ou particuliers, soit le pouvoir de faire quelque chose qui, dans ses effets, pourrait toucher aux droits ou à la propriété d'autrui, ou concerner une classe particulière de la société ; ou ayant pour objet quelque amendement de même nature à un acte antérieur,—un avis, énonçant d'une manière claire et intelligible la nature et l'objet de la demande, et signé (excepté s'il s'agit de corporations déjà existantes) par les pétitionnaires ou de leur part, est nécessaire et doit être publié comme il suit :—

Dans les provinces de Québec et du Manitoba.

Un avis doit être inséré dans la *Gazette du Canada* en anglais et en français, ainsi que dans un journal anglais et un journal français du district intéressé, ou en anglais et en français dans le même journal, s'il ne s'en publie qu'un seul dans ce district ; ou s'il n'y paraît pas de journal, alors la publication de l'avis en anglais et en français doit se faire dans un journal du district le plus voisin où il s'en publie.

Dans les autres provinces ou territoires.

Un avis doit être inséré dans la *Gazette du Canada*, et dans un journal du comté, du district ou des comtés-unis intéressés, ou s'il n'y paraît pas de journal alors la

publication doit se faire dans un journal du comté ou district le plus voisin où il s'en publie.

La publication de ces avis durera, dans chaque cas, la période de deux mois pendant l'intervalle de temps qui s'écoulera entre la clôture de la session précédente et la prise en considération de la pétition. Un exemplaire des numéros des journaux, reproduisant la première et la dernière insertion de l'avis, devra être transmis au greffier de chaque Chambre.

Si la pétition demande l'autorisation de présenter un bill privé ayant pour objet la construction d'un pont de péage, le pétitionnaire ou les pétitionnaires devront, en même temps qu'ils donneront l'avis prescrit par la règle précédente, donner aussi, de la même manière, avis des péages qu'ils entendent exiger, de l'étendue du privilège, de la hauteur des arches, de l'espace à laisser libre entre les culées ou les piliers pour le passage des radeaux et des navires ; et mentionner de plus s'ils se proposent de construire un pont mobile, et quelles en seront les dimensions.

Toute personne désirant obtenir un bill privé devra, dans les huit jours qui précéderont l'ouverture du parlement, déposer au bureau du greffier de la Chambre dans laquelle le bill doit prendre naissance, une copie de ce bill en langue anglaise ou en langue française, avec une somme suffisante pour en payer la traduction et l'impression. Il en sera imprimé 600 exemplaires en anglais et 200 en français ; la traduction devra être faite par les officiers de la Chambre, et l'impression par l'entrepreneur des impressions. Le pétitionnaire aura aussi à payer au greffier du Sénat, ou au comptable de la Chambre des Communes (selon le cas) une somme de \$200, plus le coût de l'impression de l'acte dans les Statuts, et remettra le reçu de ce paiement au greffier du comité auquel ce bill aura été renvoyé—le dit paiement sera effectué immédiatement après la seconde lecture avant la prise en considération du bill par le comité.

L'honoraire payable sur tout bill privé, ne sera payé que dans la Chambre où il a pris naissance.

Aucune pétition pour l'obtention d'un bill privé ne sera reçue par l'une ou par l'autre Chambre après les dix premiers jours de la session.

EDOUARD J. LANGEVIN,

Greffier du Sénat.

JOHN GEORGE BOURINOT,

Greffier des Communes.

RÈGLES ADDITIONNELLES DE LA CHAMBRE DES COMMUNES CONCERNANT LES BILLS PRIVÉS.

51a. Tous les bills privés pour chartes ou pour modification de chartes de compagnies de chemins de fer seront rédigés conformément au bill-modèle adopté par la Chambre, le 23 juin 1887, dont copie peut être obtenue du greffier de la Chambre ;

(a.) Les dispositions contenues dans un bill quelconque qui ne seront pas conformes au bill-modèle, seront insérées entre crochets, et après avoir été revues par l'officier compétent, elles seront imprimées ainsi ; et les bills qui ne seront pas rédigés en conformité de cette règle seront renvoyés aux auteurs pour être remodelés avant leur revision et impression.

(b.) Toutes clauses d'actes existants que l'on proposera de modifier, seront imprimées en entier, avec les amendements insérés en leur lieu et place, et entre crochets ;

(c.) Toutes dispositions exceptionnelles que l'on proposera d'insérer dans un bill quelconque, seront imprimées dans l'avis publié.

51b. Nul bill pour la constitution légale d'une compagnie de chemin de fer ou pour changer le tracé du chemin de fer d'une compagnie déjà constituée ne sera pris en considération par le comité des chemins de fer

à moins qu'il n'ait été donné au comité, au moins une semaine avant la prise en considération du bill—

(a.) Une carte ou plan à l'échelle de pas moins d'un demi-pouce au mille, indiquant le territoire sur lequel l'on se propose de construire les travaux projetés, ainsi que les lignes de travaux analogues existants ou autorisés, dans les limites du district, ou partie du district que la ligne projetée doit desservir, ou affectant le dit district en aucune manière; cette carte ou plan devra être signé par l'ingénieur ou toute autre personne qui l'aura fait;

(b.) Un exhibit faisant connaître le montant total du capital que l'on se propose de prélever pour les fins de l'entreprise, et la manière dont on se propose de le prélever, soit au moyen d'actions ordinaires, obligations, débentures ou autres garanties, et le montant respectif de chacune.

JOHN GEORGE BOURINOT,
Greffier des Communes.

SUBSTANCE DES RÈGLES ET FORMES DE PROCÉDER DU
SÉNAT CONCERNANT LES BILLS DE DIVORCE.

L'époux qui a l'intention de demander un bill de divorce doit faire connaître cette intention, ainsi que les noms de l'autre époux et la cause du divorce, par avis inséré, durant trois mois, entre l'expiration de la dernière session parlementaire avant l'avis et la présentation de sa pétition pour obtenir le bill, dans la *Gazette du Canada* et dans deux journaux du district où il avait sa résidence habituelle à l'époque de séparation d'avec son conjoint, s'il résidait alors dans la province de Québec, le Manitoba, la Colombie-Britannique ou les Territoires du Nord-Ouest,—ou du comté ou des comtés-unis, s'il résidait dans une autre province; mais si ce nombre de journaux ne s'y trouve pas, l'avis sera publié dans le district, le comté ou les comtés-unis voisins. Dans les provinces de Québec et de Manitoba, les insertions seront faites dans un journal anglais et un journal français, s'il en existe des deux langues dans le district; autrement, elles se feront en anglais et en français au même journal.

Il doit être signifié, à la diligence de l'époux pétitionnaire, un mois au moins avant la présentation de la pétition, une copie de cet avis à l'autre époux en personne, si cela est possible.

Aucune pétition en divorce n'est reçue après l'expiration des trente premiers jours de la session.

Toute pétition en divorce devra être écrite lisiblement et porter la signature du pétitionnaire. Elle énoncera sommairement le fait du mariage, le lieu et l'époque de sa célébration, les noms du célébrant, les griefs qui donnent lieu à la demande de redressement et la nature du redressement demandé, et en outre contiendra assurance qu'il n'y a pas eu réconciliation, collusion ni connivence. Les allégations de la pétition seront appuyées de la déclaration du pétitionnaire, faite en vertu de "l'Acte concernant les serments extrajudiciaires."

Huit jours avant l'ouverture du Parlement, le pétitionnaire déposera au bureau du greffier du Sénat, une copie en langue anglaise ou française du bill de divorce qui doit être présenté, et en même temps une somme suffisante pour payer la traduction et l'impression et tirage à 600 exemplaires anglais et 200 exemplaires français de ce bill.

HIS EXCELLENCY THE GOVERNOR GENERAL
IN COUNCIL.

HIS Excellency having in view the more efficient protection of the fish in the Province of Manitoba and in the North-West Territories is pleased, under the authority conferred upon him by "The Fisheries Act," chapter 95 of the Revised Statutes, and by and with the advice of the Queen's Privy Council for Canada, to order that the Fishery Regulations for the Province of Manitoba and the North-West Territories, established by the Order in Council of the 18th July, 1889, chapter 74 of the Consolidated Orders in Council of Canada, and the Order in Council of the 18th March, 1890, shall be and the same are hereby rescinded, and that the following be substituted in lieu thereof:—

REGULATIONS RELATING TO FISHING IN MANITOBA AND THE NORTH-WEST TERRITORIES.

1. There shall be two kinds of licenses for fishing in the Province of Manitoba and the North West Territories, to be designated "commercial licenses" and "domestic licenses"; which licenses shall be issued to resident British subjects only, and who are the actual owners of the fishing gear included in such license.

2. Every company, firm, trader, or person, fishing for trade and commerce in that part of Lake Winnipeg hereinafter specified, shall have a "commercial license," and the applicant for such license shall, in the application thereof, mention the number of tugs, or other boats, to be employed under such license, as well as the length, size, and description of nets to be used, and that such license is applied for the purpose of fishing in Lake Winnipeg only, and outside the excluded limits, as shown on the map descriptive of Lake Winnipeg, which accompanied the Annual Fisheries Report of 1890.

3. No fishing tug shall fish with more than 10,000 yards of gill-nets, and no sailing or trading boat shall fish with more than 3,000 yards of gill-nets, and all gill-nets so used shall be not less than five (5) inches extension measure in the size of the mesh.

4. The fee payable on a "commercial license" for gill-net fishing shall be, for every fishing tug included in such license, \$20, and in addition a fee of \$2 for every 1,000 yards of net included in the license; and for every sailing, trading, or other fishing boat, included in a "commercial license," a fee of \$10 shall be paid, which shall include a limit of 3,000 yards of net to each boat; but in no case shall a "commercial license" be granted to any one company, firm, trader, or person for the use of more than in the whole 40,000 yards of net, and no company, firm, trader, or person shall have, or be interested in more than one "commercial license."

5. To prevent the great destruction of fish, in many cases unfit for the market, or for human food, caused by catching them in gill-nets during inclement weather, "commercial licenses" for gill-net fishing in Lake Winnipeg will not be granted after the season of 1893.

6. Every farmer, settler, or *bona fide* fisherman, Indian or half-breed, who is an actual resident of the locality where he proposes to fish, shall be entitled to a "domestic license." The holder of a "domestic license" (except in the case of a license for seine fishing), shall be entitled to fish with not more than 300 yards of net. A fee of \$2 shall be paid for each "domestic license."

Applicants for "domestic license" shall describe in their applications the locality, and the nets or other apparatus which they desire included in the license, and also the kinds of fish they desire to be licensed to catch.

Nets for catching whitefish, trout, or tullibee, or nets used on the grounds usually frequented by these fish, shall have a mesh of not less than 5 inches extension measure; provided that when the applicants

apply for a license to fish for other fish than the above named in a locality not frequented by whitefish, tullibee, or trout, then the mesh may be not less than 4 inches extension measure.

A "domestic" fishing license may be granted for any of the waters of Manitoba and the North-West Territories; provided, however, that no description of net, or other fishing apparatus, whatsoever, shall be used under a "domestic" or other license, within a radius of half a mile of the mouth or outlet of any river, or stream, flowing into or out of any of the lakes of Manitoba or the North-West Territories.

7. The holder of a "domestic license" for net fishing for sturgeon, shall be entitled to use not more than 300 yards of gill-net, with a mesh of not less than 12 inches extension measure.

A fee of \$2 shall be paid for each such license.

8. The holder of a "domestic license" for seine fishing shall be entitled to use a seine not exceeding 66 yards in length, with the mesh not less than 4 inches extension measure.

A fee of \$25 shall be paid for each such license.

9. No "commercial" or "domestic license" shall be issued until the fees therefor have been paid; such fees being payable strictly in advance.

10. Fishing by means of nets or other apparatus, without leases or licenses, is prohibited in the waters of Manitoba and the North-West Territories.

11. The following shall be the close seasons during which the several fish herein mentioned shall not be fished for, caught, killed, bought, sold or had in possession by anyone whomsoever:—

(1.) Whitefish, salmon trout or lake trout, and tullibee, between the 5th day of October and the 15th December in each year, both days inclusive:

(4.) Sturgeon, between 15th May and 15th July in each year, both days inclusive:

12. Seines, nets, or other apparatus, used for catching fish shall be so raised or adapted as to admit of the free passage of fish through, by, or out of the same, from six o'clock on every Saturday afternoon to six o'clock on every following Monday forenoon, and during such close time no one shall catch fish by any means whatsoever; and any fish so taken, caught or killed, together with the nets or other apparatus used shall be forfeited.

13. All licenses shall be issued annually and shall be in force for the periods hereinafter mentioned, subject, however, to the laws and regulations that may from time to time be in force respecting close seasons, viz.:—"Commercial licenses" from 1st May to 4th October following, both days inclusive; "domestic licenses" from the 15th December to 4th October following, both days inclusive.

14. No one shall use a bag-net, trap-net or "fish-pound," for capturing fish in the waters of Manitoba or the North-West Territories, except under the following conditions:—

The holder of a "commercial license" issued for that purpose, may engage in pound-net fishing after the season of 1893, within the prescribed limits for fishing under "commercial licenses," in Lake Winnipeg only:

Provided that no company, firm, trader, or person, shall use, or be licensed to use more than four pound-nets; and provided also that no company, firm, trader or person shall at the same time hold licenses for the use of both gill-nets and pound-nets.

The mesh of pound or trap-nets of every description shall be not less than four and one-half inches extension measure in the "pots," "pounds," "hearts," and "tunnels," and not less than seven inches in the "bar" or "leader,"—double-headed pounds are hereby prohibited.

The fee payable on a "commercial license" for pound-net fishing shall be \$50 for each pound-net included in the license, together with a fee of 10 cents for every fathom length of the leader to such net.

15. Lime, chemical substances, or drugs, poisonous matter, dead, or decaying fish, offal of fish, saw-dust

and mill rubbish, or any other deleterious substances, shall not be thrown into, or be allowed to pass into, or be left or remain in any water frequented by fish in Manitoba and the North-West Territories; and any person violating this regulation shall incur a penalty not exceeding one hundred dollars.

16. These regulations shall apply to Indians and half-breeds, as well as to settlers and all other persons: provided always, that the Minister of Marine and Fisheries may from time to time set apart for the exclusive use of the Indians, such waters as he may deem necessary, and may grant to Indians or their bands, free licenses to fish during the close seasons, for themselves or their bands, for the purposes of providing food for themselves, but not for the purpose of sale, barter or traffic.

17. The use of explosive materials of any kind to catch or kill fish is prohibited in the waters of Manitoba and the North-West Territories, and the use of spears, grapnel-hooks, negogs, nishagans and fire-arms for killing fish is also prohibited:

Provided always, that special licenses may be issued to Indians or Indian bands permitting them to catch and kill fish in the manner specified in such license for the sole purpose of providing themselves or their bands with food.

18. No trader, peddler, hawker, or any other person whomsoever, shall engage in buying, trading, or otherwise obtain or be in possession of fish of any description, caught or killed by Indians, half-breeds, or any other person whomsoever, on any Indian reserve, or elsewhere, during the close seasons fixed by law, and in which Indians are permitted by license or otherwise to catch fish for the sole purpose of providing food for themselves or their bands.

19. For the information of persons obtaining licenses under these regulations, every license shall have the regulations printed upon it.

ARRÊTÉS EN CONSEIL.

HOTEL DU GOUVERNEMENT A OTTAWA.

Lundi, le 4e jour de janvier 1892.

PRÉSENT :

SON EXCELLENCE LE GOUVERNEUR GÉNÉRAL EN CONSEIL.

DANS le but de mieux protéger le poisson dans la province de Manitoba et dans les Territoires du Nord-Ouest, il plaît à Son Excellence, en vertu de l'autorité qui lui est conférée par “l'Acte des pêcheries,” chapitre 95 des Statuts Révisés, et par et avec l'avis du Conseil privé de la Reine pour le Canada, d'ordonner que les Règlements de pêche pour la province du Manitoba et les Territoires du Nord-Ouest, établis par l'arrêté en conseil du 18 juillet 1889, chapitre 74 des Arrêtés en conseil refondus du Canada, et l'arrêté en conseil du 18 mars 1890, soient et ils sont par le présent rescindés, et remplacés par les suivants :

RÈGLEMENTS CONCERNANT LA PÊCHE DANS LE MANITOBA ET LES TERRITOIRES DU NORD-OUEST.

1. Il y aura deux sorte de licences pour pêcher dans la province du Manitoba et les Territoires du Nord-Ouest, désignées respectivement “Licences commerciales” et “Licences domestiques.” Ces licences ne seront accordées qu'à des sujets britanniques résidents, et qui seront les propriétaires réels des engins de pêche désignés dans la licence,

2. Toute compagnie, société, commerçant ou personne faisant la pêche pour le commerce et le trafic dans cette partie du lac Winnipeg ci-après spécifiée, aura une "licence commerciale," et le requérant pour cette licence devra, dans sa demande, mentionner le nombre de remorqueurs ou autres bateaux qui seront employés sous cette licence, ainsi que la longueur, la grandeur et la description des rets qui seront employés, et que cette licence est demandée dans le but de pêcher dans le lac Winnipeg seulement, et en dehors des limites réservées, telles que démontrées sur la carte descriptive du lac Winnipeg qui accompagnait le Rapport annuel des pêcheries de 1890.

3. Nul remorqueur de pêche ne pêchera avec plus de 10,000 verges de rets à mailler, et nul bateau à voile ou de commerce ne pêchera avec plus de 3,000 verges de rets à mailler, et tous rets à mailler ainsi employés auront des mailles de pas moins de cinq (5) pouces d'extension.

4. L'honoraire payable pour une "licence commerciale" pour pêcher avec des rets à mailler sera de \$20 pour chaque remorqueur de pêche compris dans la licence, et en outre un honoraire de \$2 pour chaque 1,000 verges de rets comprises dans la licence; et pour chaque bateau à voile, de commerce ou autre compris dans une "licence commerciale," un honoraire de \$10 sera payé, qui comprendra une limite de 3,000 verges de rets pour chaque bateau; mais dans aucun cas il ne sera accordé de "licence commerciale" à une seule et même compagnie, société, commerçant ou personne pour l'emploi de plus que 40,000 verges de rets en tout, et nulle compagnie, société, commerçant ou personne n'aura ou ne sera intéressé dans plus d'une "licence commerciale."

5. Afin d'empêcher la grande destruction du poisson, dans bien des cas impropre au marché, ou immangeable, causée en le prenant dans les rets à mailler pendant le mauvais temps, il ne sera pas accordé de "licences commerciales" pour pêcher avec des rets à mailler dans le lac Winnipeg après la saison de 1893.

6. Chaque cultivateur, colon ou pêcheur de bonne foi, Sauvage ou Métis, qui est domicilié dans l'endroit où il se propose de pêcher, aura droit d'obtenir une "licence domestique." Le porteur d'une "licence domestique" (sauf dans le cas d'une licence pour pêcher à la seine) aura droit de pêcher avec pas plus de 300 verges de rets. Un honoraire de \$2 sera payé pour chaque "licence domestique."

Les requérants pour une "licence domestique" décriront dans leurs demandes l'endroit, et les rets ou autre appareil qu'ils désirent comprendre dans la licence et aussi l'espèce de poisson qu'ils désirent être autorisés de prendre.

Les rets pour prendre le poisson blanc, la truite, la tullibie, ou les rets employés sur les bancs ordinairement fréquentés par ces poissons, auront des mailles de pas moins de 5 pouces d'extension; pourvu que lorsque ces requérants demandent une licence pour pêcher d'autre poisson que celui ci-dessus mentionné dans un endroit non fréquenté par le poisson blanc, la tullibie ou la truite, alors les mailles pourront être de pas moins de 4 pouces d'extension.

Une "licence domestique" pourra être accordée pour aucune des eaux du Manitoba et les Territoires du Nord-Ouest; pourvu, toutefois, qu'aucune description quelconque de rets ou autre appareil de pêche ne sera employée sous une licence "domestique" ou autre dans un rayon d'un mille de l'embouchure ou de la décharge de toute rivière ou cours d'eau qui se jette dans aucun des lacs du Manitoba ou des Territoires du Nord-Ouest ou en sort.

7. Le porteur d'une "licence domestique" pour pêcher l'esturgeon avec des rets aura droit d'employer pas plus de 300 verges de rets à mailler, avec des mailles de pas moins de 12 pouces d'extension.

Un honoraire de \$2 sera payé pour toute telle licence.

8. Le porteur d'une "licence domestique" pour pêcher à la seine aura droit d'employer une seine n'excédant pas 66 verges de longueur, avec des mailles de pas moins de 4 pouces d'extension.

Un honoraire de \$25 sera payé pour toute telle licence.

9. Il ne sera émis aucune licence "commerciale" ou "domestique" tant que les honoraires voulus n'auront

pas été payés; ces honoraires sont payables strictement d'avance.

10. La pêche au moyen de rets ou autres appareils, sans baux ou licences, est défendue dans les eaux du Manitoba et des Territoires du Nord-Ouest.

11. Ci-suivent les saisons réservées pendant lesquelles il est défendu à qui que ce soit de pêcher, prendre, tuer, acheter, vendre ou avoir en sa possession les diverses espèces de poissons y mentionnées:—

(1.) Le poisson blanc, la truite saumonée ou truite des lacs, et la tullibie: entre le 5 d'octobre et le 15 de décembre de chaque année, ces deux jours inclusivement;

(2.) Le doré, l'ail-d'or, le brochet, le mullet et le maskinongé: entre le 15 avril et le 15 mai, ces deux jours inclusivement;

(3.) La truite mouchetée de toutes sortes: entre le 15 septembre et le 1er mai, ces deux jours inclusivement;

(4.) L'esturgeon: entre le 15 mai et le 15 de juillet de chaque année, ces deux jours inclusivement.

12. Les seines, filets ou autres engins employés pour prendre le poisson devront être relevés ou disposés de manière à laisser librement circuler le poisson, ou à lui permettre de les traverser ou d'en sortir, depuis six heures chaque samedi soir jusqu'à six heures chaque lundi matin suivant; et durant cet intervalle il ne sera permis à personne de prendre du poisson d'aucune manière, et s'il en est pris ou tué, il sera confisqué, ainsi que les seines ou autres engins employés.

13. Toutes les licences seront émises annuellement et resteront en vigueur pendant les périodes ci-après mentionnées, sujettes toutefois aux lois et règlements qui pourront de temps à autre être en vigueur concernant les saisons réservées, savoir:—"Les licences commerciales" du 1er mai au 4 octobre suivant, ces deux jours inclusivement; les "licences domestiques" du 15 décembre au 4 octobre suivant, ces deux jours inclusivement.

14. Personne ne fera usage de filets en forme de sac ou de piège, ou de parc ou d'enclos pour prendre du poisson dans les eaux du Manitoba ou des Territoires du Nord-Ouest, sauf aux conditions suivantes:—

Le porteur d'une "licence commerciale" émise dans ce but, pourra faire la pêche avec un rets à enclos après la saison de 1893, dans les limites prescrites pour la pêche sous "licence commerciale" dans le lac Winnipeg seulement:

Pourvu que nulle compagnie, société, commerçant, ou personne n'emploiera ou ne sera licencié à employer plus de quatre rets à enclos; et pourvu aussi que nulle compagnie, société, commerçant ou personne ne pourra porter des licences pour l'usage de rets à mailler et de rets à enclos en même temps.

Les mailles des rets à enclos ou à piège auront au moins quatre pouces et demi d'extension dans les "pots," "parcs," "cœurs" et "tunels," et au moins sept pouces dans la "barre" ou "col,"—les parcs ou enclos à double entrée sont par le présent défendus.

L'honoraire payable sur une "licence commerciale" pour pêcher avec rets à enclos sera de \$50 pour chaque rets à enclos compris dans la licence, avec 10 centins en sus pour chaque brasse de longueur du col de ce rets.

15. On ne jettera ni ne laissera passer ou séjourner de chaux, de substances chimiques, de drogues, de matières vénéneuses, de poisson mort ou gâté, de débris de poisson, de la sciure de bois et des déchets de scieries, ou autres substances délétères, dans les eaux fréquentées par le poisson au Manitoba et les Territoires du Nord-Ouest; quiconque enfreindra ce règlement encourra une amende n'excédant pas cent piastres.

16. Les présents règlements s'appliqueront aux Sauvages et Métis aussi bien qu'aux colons et toutes autres personnes; pourvu toujours que le ministre de la Marine et des Pêcheries pourra de temps à autre mettre à part et réserver pour l'usage exclusif des Sauvages les eaux qu'il jugera nécessaire, et pourra accorder aux Sauvages ou à leurs bandes, des licences gratuites de pêcher pendant les saisons réservées, pour eux-mêmes ou leurs bandes, dans le but de se procurer de la nourriture, mais non dans un but de vente, troc ou trafic.

17. Il est défendu de faire usage de matières explo-

sives d'une nature quelconque pour prendre ou tuer le poisson dans les eaux du Manitoba et des Territoires du Nord-Ouest; et l'usage de dards, d'hameçons-grappins, nigognes, nishagans et d'armes à feu pour tuer le poisson est aussi défendu :

Pourvu toutefois que des licences spéciales pourront être accordées aux Sauvages ou bandes de Sauvages leur permettant de prendre et tuer du poisson en la manière prescrite dans telle licence à la seule fin de se procurer de la nourriture pour eux-mêmes ou leurs bandes.

18. Nul commerçant, colporteur, regrattier ou autre personne que ce soit n'achètera, trafiquera ou autrement obtiendra ou aura en sa possession du poisson d'aucune espèce, pris ou tué par des Sauvages, Métis ou autre personne quelconque sur une réserve des Sauvages, ou ailleurs, pendant les saisons réservées par la loi, et pendant lesquelles les Sauvages sont autorisés par licences ou autrement à prendre du poisson dans le seul but de se procurer de la nourriture pour eux-mêmes ou leurs bandes.

19. Pour le renseignement des personnes qui obtiendront des licences en vertu des présents règlements, ces règlements seront imprimés sur chaque licence.

20. Le ministre de la Marine et des Pêcheries ayant décidé que la chose était nécessaire dans l'intérêt du public, toute digue, glissoire ou autre obstacle fait ou à faire sur ou en travers d'une rivière ou cours d'eau dans le Manitoba et les Territoires du Nord-Ouest, sera muni de la passe-migratoire nécessaire prescrite par l'article 13 de l'Acte des pêcheries; et nul filet ou autre engin ne sera employé pour prendre ou tuer le poisson, ou l'empêcher de descendre ou remonter une rivière ou un cours d'eau, dans un rayon de 200 verges de toute telle digue, glissoire, écluse ou passe-migratoire, ni dans aucune autre partie de ces rivières et cours d'eau, sans laisser au moins la moitié du chenal principal parfaitement libre de l'opération de tout tels rets ou autre engin comme susdit.

21. Les présents règlements remplaceront tous règlements antérieurs faits en vertu de l'Acte des pêcheries qui concernent les pêches dans les eaux du Manitoba et les Territoires du Nord-Ouest du Canada, et les dits règlements antérieurs sont par le présent abrogés.

22. Toutes matières, instruments ou appareils employés, et tout poisson pris ou tué en contravention des présents règlements seront saisis et confisqués, et toute personne contrevenant aux présents règlements encourra les peines édictées par l'Acte des pêcheries.

JOHN J. MCGEE,

29-4

Greffier du Conseil privé.

HOTEL DU GOUVERNEMENT A OTTAWA.

Jeudi, le 24e jour de décembre 1891.

PRÉSENT :

SON EXCELLENCE LE GOUVERNEUR GÉNÉRAL EN CONSEIL.

CONSIDÉRANT qu'il a été jugé expédient de modifier quelques-uns des règlements qui régissent le passage d'eau sur la rivière Ottawa entre Gower Point, dans le comté de Renfrew, province d'Ontario, et Lapasse, dans le comté de Pontiac, province de Québec,—

Il plaît à Son Excellence, par et avec l'avis du Conseil privé de la Reine pour le Canada, et en vertu des dispositions de l'article 5 du chapitre 97 des Statuts Révisés du Canada, intitulé "Acte concernant les passages d'eau," d'ordonner que les règlements suivants soient établis pour la gouverne du dit passage d'eau.

RÈGLEMENTS.

1. LIMITES.

Les limites du passage d'eau s'étendront à un mille en amont et un mille en aval du village de Lapasse, dans le township de Mansfield, dans le comté de Pontiac, dans la province de Québec, et à une semblable distance en amont et en aval de la Pointe Gower, dans le township de Westmeath, dans le comté de Renfrew, dans la province d'Ontario.

2. BATEAU-PASSEUR.

L'adjudicataire fournira et entretiendra un bac de pas moins de 36 pieds de quille et 22 pieds de bau, mû soit par des rames ou autres moyens, propre au trans-

port avec sûreté et à une vitesse raisonnable, de 20 piétons et d'une voiture chargée, et ce bateau sera sujet à l'approbation du ministre du Revenu de l'Intérieur.

3. DÉBARCADÈRES OU QUAIS.

L'adjudicataire construira sur les deux côtés de la rivière et les entretiendra pendant la durée du bail, des embarcadères ou quais qui pourront servir en tout état de l'eau dans la rivière, munis de poteaux d'amarrage convenables et d'autres appareils nécessaires pour permettre d'embarquer et de débarquer, sans danger, les passagers, attelages et voitures; et ces embarcadères et quais seront soumis à l'approbation du ministre du Revenu de l'Intérieur.

4. NOMBRE DE TRAVERSÉES.

Le bac traversera aussi souvent que la commodité du public l'exigera, entre le lever et le coucher du soleil, tous les jours (à l'exception du dimanche) lorsqu'il sera signalé d'un côté ou de l'autre de la rivière; et le ministre du Revenu de l'Intérieur pourra en tout temps exiger que les traversées soient faites à des heures fixes aussi bien que lorsque les passagers le signaleront.

5. TARIF.

Le tarif maximum des péages sera comme suit :—

	CTS.
Pour une voiture à deux chevaux et son conducteur, en chaque sens, y compris les chevaux*....	40
Pour une voiture à un cheval et son conducteur, en chaque sens*.....	30
Pour un cheval, en chaque sens.....	15
Pour chaque cheval en sus appartenant à la même personne.....	10
Pour chaque tête de bétail, en chaque sens.....	15
Pour chaque tête de bétail en sus, appartenant à la même personne.....	10
Pour chaque cochon ou mouton.....	10
Pour chaque cochon ou mouton en sus, appartenant à la même personne.....	5
Pour chaque piéton, avec bagage n'excédant pas 50 livres.....	5
Pour chaque colis de marchandise autres que ci-dessus, de moins de 100 livres.....	2

6. Le bateau-passeur devra être complété et équipé prêt à faire le passage, et les embarcadères devront être complètement terminés le ou avant le 1er jour de mai 1892.

7. Le bail sera accordé pour une période de cinq années, à partir du 1er jour de mai 1892.

8. Le locataire sera tenu de donner au ministre du Revenu de l'Intérieur deux cautions qui seront responsables conjointement et séparément avec le principal jusqu'à concurrence de la somme de \$500 pour la parfaite exécution des conditions du bail par le locataire.

9. Le ministre du Revenu de l'Intérieur se réserve le droit de ne pas approuver le bateau-passeur ou les embarcadères s'ils étaient jugés impropres pour le service, dangereux ou insuffisants pour répondre aux besoins du public. Le Gouverneur-général en conseil aura aussi le droit de modifier le tarif maximum s'il était jugé expédient de le faire dans l'intérêt public, et le Gouverneur-général en conseil pourra annuler le bail lorsqu'il sera prouvé pleinement que le locataire néglige de remplir les conditions du bail.

10. Le locataire du passage d'eau devra en tout temps pendant la durée du bail transporter sans salaire, péage ou récompense les militaires, soldats ou matelots lorsqu'ils sont munis de passeports en bonne et due forme ou sous la garde de leur officier ou officiers, et le dit locataire aura droit de commuer le tarif des passagers.

11. Un avis des prix de péage pour la traversée sera affiché dans un endroit visible près du débarcadère des deux côtés de la rivière, et aussi à bord du bateau.

12. L'adjudicataire ne transportera ni ne permettra en aucun temps qu'il soit transporté sur le dit bac, aucun article ou effet de contrebande.

* Les péages à percevoir sur chaque telle voiture comprendront tous les passagers qu'elle contiendra aussi bien que le conducteur.

Greffier du Conseil privé.

HOTEL DU GOUVERNEMENT A OTTAWA.

Lundi, le 7e jour de décembre 1891.

PRÉSENT :

SON EXCELLENCE LE GOUVERNEUR GÉNÉRAL EN CONSEIL.

CONSIDÉRANT que par un arrêté en conseil daté du 7e jour de juin 1888, les subdivisions légales 12 et 13 de la section 12, township 5, rang 12 à l'ouest du premier méridien, contenant quatre-vingts acres, plus ou moins, ont été, entre autres terrains, en vertu des dispositions du 4e article du chapitre 47 des Statuts Révisés du Canada, intitulé : "Acte concernant la province du Manitoba," cédées à Sa Majesté comme terrains marécageux pour les fins de la province du Manitoba, et qu'il appert que sur cette terre un immigrant belge nommé Joseph Valcher s'est établi permanentement et y a fait des améliorations pour la valeur d'environ \$450 ;

Et considérant que le gouvernement de la province du Manitoba a consenti à rétrocéder au gouvernement du Canada les subdivisions légales 12 et 13 de la section 12, township 5, rang 12 à l'ouest du premier méridien, ci-dessus mentionnées, à condition que la moitié est du quart nord-ouest de la section 10, township 4, rang 13 à l'ouest du premier méridien soit cédée à la province au lieu d'icelles,—

En conséquence il plaît à Son Excellence, par et avec l'avis du Conseil privé de la Reine pour le Canada, d'ordonner que la dite moitié est du quart nord-ouest de la section 10, township 4, rang 13, à l'ouest du premier méridien, ce terrain étant vacant et propre aux dites fins, soit cédée à Sa Majesté pour les fins de la province du Manitoba en échange pour les subdivisions légales 12 et 13 de la section 12, township 5, rang 12 à l'ouest du premier méridien sur lesquelles le dit Joseph Valcher s'est établi et qu'il a améliorées.

DEMANDES AU PARLEMENT.

RÈGLES RELATIVES AUX AVIS DE BILLS PRIVÉS.

Dans le cas de toute demande de bill privé, proprement du ressort législatif du Parlement du Canada suivant les dispositions de l'Acte de l'Amérique Britannique du Nord, 1867, et ayant pour objet, soit la construction d'un pont, d'un chemin de fer, d'un chemin à barrières ou d'une ligne télégraphique ; soit la construction ou l'amélioration d'un port, d'un canal, d'une écluse, d'une digue ou d'une glissoire ou autre ouvrage semblable ; soit la concession d'un droit de passage d'eau, l'incorporation de professions ou métiers, ou d'une compagnie de banque ou autre compagnie par actions, soit la concession à une ou plusieurs personnes de certains droits ou privilèges exclusifs ou particuliers, soit le pouvoir de faire quelque chose qui, dans ses effets, pourrait toucher aux droits ou à la propriété d'autrui, ou concerner une classe particulière de la société ; ou ayant pour objet quelque amendement de même nature à un acte antérieur,—un avis, énonçant d'une manière claire et intelligible la nature et l'objet de la demande, et signé (excepté s'il s'agit de corporations déjà existantes) par les pétitionnaires ou de leur part, est nécessaire et doit être publié comme il suit :—

Dans les provinces de Québec et du Manitoba.

Un avis doit être inséré dans la *Gazette du Canada* en anglais et en français, ainsi que dans un journal anglais et un journal français du district intéressé, ou en anglais et en français dans le même journal, s'il ne s'en publie qu'un seul dans ce district ; ou s'il n'y paraît pas de journal, alors la publication de l'avis en anglais et en français doit se faire dans un journal du district le plus voisin où il s'en publie.

Dans les autres provinces ou territoires.

Un avis doit être inséré dans la *Gazette du Canada*, et dans un journal du comté, du district ou des comtés-unis intéressés, ou s'il n'y paraît pas de journal alors la

publication doit se faire dans un journal du comté ou district le plus voisin où il s'en publie.

La publication de ces avis durera, dans chaque cas, la période de deux mois pendant l'intervalle de temps qui s'écoulera entre la clôture de la session précédente et la prise en considération de la pétition. Un exemplaire des numéros des journaux, reproduisant la première et la dernière insertion de l'avis, devra être transmis au greffier de chaque Chambre.

Si la pétition demande l'autorisation de présenter un bill privé ayant pour objet la construction d'un pont de péage, le pétitionnaire ou les pétitionnaires devront, en même temps qu'ils donneront l'avis prescrit par la règle précédente, donner aussi, de la même manière, avis des péages qu'ils entendent exiger, de l'étendue du privilège, de la hauteur des arches, de l'espace à laisser libre entre les culées ou les piliers pour le passage des radeaux et des navires ; et mentionner de plus s'ils se proposent de construire un pont mobile, et quelles en seront les dimensions.

Toute personne désirant obtenir un bill privé devra, dans les huit jours qui précéderont l'ouverture du parlement, déposer au bureau du greffier de la Chambre dans laquelle le bill doit prendre naissance, une copie de ce bill en langue anglaise ou en langue française, avec une somme suffisante pour en payer la traduction et l'impression. Il en sera imprimé 600 exemplaires en anglais et 200 en français ; la traduction devra être faite par les officiers de la Chambre, et l'impression par l'entrepreneur des impressions. L'honoraire payable sur tout bill privé, ne sera payé que dans la Chambre où il a pris naissance.

Il doit être signifié, à la diligence de l'époux pétitionnaire, un mois au moins avant la présentation de la pétition, une copie de cet avis à l'autre époux en personne, si cela est possible.

Aucune pétition en divorce n'est reçue après l'expiration des trente premiers jours de la session.

to order that the Fishery Regulations for the Province
of Manitoba and the North-West Territories, established
by the Order in Council of the 18th July, 1889, chap-
ter 74 of the Consolidated Orders in Council of Canada,
and the Order in Council of the 18th March, 1890,
shall be and the same are hereby rescinded, and that
the following be substituted in lieu thereof:—

license.

2. Every company, firm, trader, or person, fishing

the application thereof, mention the number of tugs,

well as the length, size, and description of nets to be used, and that such license is applied for for the purpose of fishing in Lake Winnipeg only, and outside the excluded limits, as shown on the map descriptive of Lake Winnipeg, which accompanied the Annual Fisheries Report of 1890.

3. No fishing tug shall fish with more than 10,000 yards of gill-nets, and no sailing or trading boat shall fish with more than 3,000 yards of gill-nets, and all gill-nets so used shall be not less than five (5) inches extension measure in the size of the mesh.

4. The fee payable on a "commercial license" for gill-net fishing shall be, for every fishing tug included in such license, \$20, and in addition a fee of \$2 for every 1,000 yards of net included in the license; and for every sailing, trading, or other fishing boat, included in a "commercial license," a fee of \$10 shall be paid, which shall include a limit of 3,000 yards of net to each boat; but in no case shall a "commercial license" be granted to any one company, firm, trader, or person for the use of more than in the whole 40,000 yards of net, and no company, firm, trader, or person shall have, or be interested in more than one "commercial license."

6. Every farmer, settler, or *bona fide* fisherman, Indian or half-breed, who is an actual resident of the locality where he proposes to fish, shall be entitled to a "domestic license." 7. The holder of a "domestic license" for net fishing for sturgeon, shall be entitled to use not more than 300 yards of gill-net, with a mesh of not less than 12 inches extension measure.

A fee of \$2 shall be paid for each such license.

8. The holder of a "domestic license" for seine fishing shall be entitled to use a seine not exceeding 66 yards in length, with the mesh not less than 4 inches extension measure.

A fee of \$25 shall be paid for each such license.

9. No "commercial" or "domestic license" shall be issued until the fees therefor have been paid; such fees being payable strictly in advance.

10. Fishing by means of nets or other apparatus, without leases or licenses, is prohibited in the waters of Manitoba and the North-West Territories.

11. The following shall be the close seasons during which the several fish herein mentioned shall not be fished for, caught, killed, bought, sold or had in possession by anyone whomsoever:—

13. All licenses shall be issued annually and shall be in force for the periods hereinafter mentioned, subject, however, to the laws and regulations that may from time to time be in force respecting close seasons, viz.:—"Commercial licenses" from 1st May to 4th October following, both days inclusive; "domestic licenses" from the 15th December to 4th October following, both days inclusive.

14. No one shall use a bag-net, trap-net or "fish-pound," for capturing fish in the waters of Manitoba or the North-West Territories, except under the following conditions:—

The holder of a "commercial license" is used for that purpose, may engage in pound-net fishing after the season of 1893, within the prescribed limits for fishing under "commercial licenses," in Lake Winnipeg only:

Provided that no company, firm, trader, or person, shall use, or be licensed to use more than four pound-nets; and provided also that no company, firm, trader or person shall at the same time hold licenses for the use of both gill-nets and pound-nets.

The mesh of pound or trap-nets of every description shall be not less than four and one-half inches extension measure in the "pots," "pounds," "hearts," and "tunnels," and not less than seven inches in the "bar" or "leader,"—double-headed pounds are hereby prohibited.

The fee payable on a "commercial license" for pound-net fishing shall be \$50 for each pound-net included in the license, together with a fee of 10 cents for every fathom length of the leader to such net.

15. Lime, chemical substances, or drugs, poisonous matter, dead, or decaying fish, offal of fish, saw-dust and mill rubbish, or any other deleterious substances, shall not be thrown into, or be allowed to pass into, or be left or remain in any water frequented by fish in Manitoba and the North-West Territories; and any person violating this regulation shall incur a penalty not exceeding one hundred dollars.

16. These regulations shall apply to Indians and half-breeds, as well as to settlers and all other persons: provided always, that the Minister of Marine and Fisheries may from time to time set apart for the exclusive use of the Indians, such waters as he may deem necessary, and may grant to Indians or their bands, free licenses to fish during the close seasons, for themselves or their bands, for the purposes of providing food for themselves, but not for the purpose of sale, barter or traffic.

17. The use of explosive materials of any kind to catch or kill fish is prohibited in the waters of Manitoba and the North-West Territories, and the use of spears, grapnel-hooks, negogs, nishagans and fire-arms for killing fish is also prohibited:

Provided always, that special licenses may be issued to Indians or Indian bands permitting them to catch and kill fish in the manner specified in such license for the sole purpose of providing themselves or their bands with food.

18. 21. These regulations shall supersede all former regulations heretofore made under the Fisheries Act, which relate to the fisheries in the waters of Manitoba and the North-West Territories of Canada, and such former regulations are hereby repealed.

22. All materials, implements or appliances used and all fish caught, taken or killed in violation of these regulations shall be seized and confiscated, and any person or persons, violating these regulations shall incur the penalties provided by the Fisheries Act.

NOTICE TO MARINERS.

No. 2 of 1892.

NON-EXISTENCE OF CERTAIN SHOALS OFF RICH POINT.

Information received from Staff-Commander W. Tooker, R. N., in charge of Newfoundland Survey, dated 27th September, 1891, shows that recent examination of the locality of Rich Point, west coast of Newfoundland, and information obtained locally, tend to disprove the existence of the two rocky shoals charted as lying, respectively, 1 mile N. (N. 34° W. true), and $\frac{3}{4}$ mile N. N.-W. $\frac{1}{2}$ W. (N. 62° W. true) from that point. Depths of 40 to 90 fathoms were obtained around the reported positions, and no indications of shoal water were observed. These shoals have consequently been removed from the Admiralty charts.

During this examination a rocky bank, about 400 yards in extent, within the 10-fathom line, with a least depth of 7 fathoms, was found lying with Rich Point old lighthouse bearing E. by S. $\frac{1}{4}$ S. (N. 70° E. true) distant $1\frac{1}{16}$ miles.

Fishermen in the locality state that in heavy weather the sea breaks on this bank and on the 9-foot rock north of the point, but in no other position.

Approximate position :

Long. W. 50° 41' 15"
Lat. N. 57° 26'

CAUTION.—As the locality seaward of Rich Point is imperfectly sounded, a wide berth had better be given the point.

This notice affects Admiralty charts Nos. 232b, 284, 2516 and 2918.

II. ERRATUM IN DESCRIPTION OF RONDEAU HARBOUR LIGHTS.

The astronomical bearing of the rangelights at Rondeau Harbour is North 13° East, and not North 30° East, as printed in Notice to Mariners No. 53 of 1891.

In any other Province or Territory.

A notice inserted in the *Canada Gazette*, and in one newspaper published in the County or District, or Union of Counties affected, or if there be no paper published therein, then in a newspaper in the nearest County or District in which a newspaper is published. HOTEL DU GOUVERNEMENT À OTTAWA.

Lundi, le 4e jour de janvier 1892.

PRÉSENT :

SON EXCELLENCE LE GOUVERNEUR GÉNÉRAL EN CONSEIL.

DANS le but de mieux protéger le poisson dans la province de Manitoba et dans les Territoires du Nord-Ouest, il plaît à Son Excellence, en vertu de l'autorité qui lui est conférée par "l'Acte des pêcheries," chapitre 95 des Statuts Révisés, et par et avec l'avis du Conseil privé de la Reine pour le Canada, d'ordonner que les Règlements de pêche pour la province du Manitoba et les Territoires du Nord-Ouest, établis par l'arrêté en conseil du 18 juillet 1889, chapitre 74 des Arrêtés en conseil refondus du Canada, et l'arrêté en conseil du 18 mars 1890, soient et ils sont par le présent rescindés, et remplacés par les suivants :

RÈGLEMENTS CONCERNANT LA PÊCHE DANS LE MANITOBA ET LES TERRITOIRES DU NORD-OUEST.

1. Il y aura deux sorte de licences pour pêcher dans la province du Manitoba et les Territoires du Nord-Ouest, désignées respectivement "Licences commerciales" et "Licences domestiques." Ces licences ne seront accordées qu'à des sujets britanniques résidents, et qui seront les propriétaires réels des engins de pêche désignés dans la licence.

2. Toute compagnie, société, commerçant ou personne faisant la pêche pour le commerce et le trafic dans cette partie du lac Winnipeg ci-après spécifiée, aura une "licence commerciale," et le requérant pour cette licence devra, dans sa demande, mentionner le nombre de remorqueurs ou autres bateaux qui seront employés sous cette licence, ainsi que la longueur, la grandeur et la description des rets qui seront employés, et que cette licence est demandée dans le but de pêcher dans le lac Winnipeg seulement, et en dehors des limites réservées, telles que démontrées sur la carte descriptive du lac Winnipeg qui accompagnait le Rapport annuel des pêcheries de 1890.

3. Nul remorqueur de pêche ne pêchera avec plus de 10,000 verges de rets à mailler, et nul bateau à voile ou de commerce ne pêchera avec plus de 3,000 verges de rets à mailler, et tous rets à mailler ainsi employés auront des mailles de pas moins de cinq (5) pouces d'extension.

4. L'honoraire payable pour une "licence commerciale" pour pêcher avec des rets à mailler sera de \$20 pour chaque remorqueur de pêche compris dans la licence, et en outre un honoraire de \$2 pour chaque 1,000 verges de rets comprises dans la licence ; et pour chaque bateau à voile, de commerce ou autre compris dans une "licence commerciale," un honoraire de \$10 sera payé, qui comprendra une limite de 3,000 verges de rets pour chaque bateau ; mais dans aucun cas il ne sera accordé de "licence commerciale" à une seule et même compagnie, société, commerçant ou personne pour l'emploi de plus que 40,000 verges de rets en tout, et nulle compagnie, société, commerçant ou personne n'aura ou ne sera intéressé dans plus d'une "licence commerciale."

5. Afin d'empêcher la grande destruction du poisson, dans bien des cas impropre au marché, ou immangeable, causée en le prenant dans les rets à mailler pendant le mauvais temps, il ne sera pas accordé de "licences commerciales" pour pêcher avec des rets à mailler dans le lac Winnipeg après la saison de 1893.

6. Chaque cultivateur, colon ou pêcheur de bonne foi, Sauvage ou Métis, qui est domicilié dans l'endroit où il se propose de pêcher, aura droit d'obtenir une "licence domestique." Le porteur d'une "licence domestique" (sauf dans le cas d'une licence pour pêcher à la seine) aura droit de pêcher avec pas plus de 300 verges de rets. Un honoraire de \$2 sera payé pour chaque "licence domestique."

Les requérants pour une "licence domestique" décriront dans leurs demandes l'endroit, et les rets ou autre appareil qu'ils désirent comprendre dans la licence et aussi l'espèce de poisson qu'ils désirent être autorisés de prendre.

Les rets pour prendre le poisson blanc, la truite, la tullibie, ou les rets employés sur les bancs ordinairement fréquentés par ces poissons, auront des mailles de pas moins de 5 pouces d'extension ; pourvu que lorsque ces requérants demandent une licence pour pêcher d'autre poisson que celui ci-dessus mentionné dans un endroit non fréquenté par le poisson blanc, la tullibie ou la truite, alors les mailles pourront être de pas moins de 4 pouces d'extension.

Une "licence domestique" pourra être accordée pour aucune des eaux du Manitoba et les Territoires du Nord-Ouest ; pourvu, toutefois, qu'aucune description quelconque de rets ou autre appareil de pêche ne sera employée sous une licence "domestique" ou autre dans un rayon d'un mille de l'embouchure ou de la décharge de toute rivière ou cours d'eau qui se jette dans aucun des lacs du Manitoba ou des Territoires du Nord-Ouest ou en sort.

7. Le porteur d'une "licence domestique" pour pêcher l'esturgeon avec des rets aura droit d'employer pas plus de 300 verges de rets à mailler, avec des mailles de pas moins de 12 pouces d'extension.

Un honoraire de \$2 sera payé pour toute telle licence.

8. Le porteur d'une "licence domestique" pour pêcher à la seine aura droit d'employer une seine n'excédant pas 66 verges de longueur, avec des mailles de pas moins de 4 pouces d'extension.

Un honoraire de \$25 sera payé pour toute telle licence.

9. Il ne sera émise aucune licence "commerciale" ou "domestique" tant que les honoraires voulus n'auront pas été payés ; ces honoraires sont payables strictement d'avance.

10. La pêche au moyen de rets ou autres appareils, sans baux ou licences, est défendue dans les eaux du Manitoba et des Territoires du Nord-Ouest.

11. Ci-suivent les saisons réservées pendant lesquelles il est défendu à qui que ce soit de pêcher, prendre, tuer, acheter, vendre ou avoir en sa possession les diverses espèces de poissons y mentionnées :—

(1.) Le poisson blanc, la truite saumonée ou truite des lacs, et la tullibie : entre le 5 d'octobre et le 15 de décembre de chaque année, ces deux jours inclusivement ;

(2.) Le doré, l'œil-d'or, le brochet, le mulet et le maskinongé : entre le 15 avril et le 15 mai, ces deux jours inclusivement ;

(3.) La truite mouchetée de toutes sortes : entre le 15 septembre et le 1er mai, ces deux jours inclusivement ;

(4.) L'esturgeon : entre le 15 mai et le 15 de juillet de chaque année, ces deux jours inclusivement.

12. Les seines, filets ou autres engins employés pour prendre le poisson devront être relevés ou disposés de manière à laisser librement circuler le poisson, ou à lui permettre de les traverser ou d'en sortir, depuis six heures chaque samedi soir jusqu'à six heures chaque lundi matin suivant ; et durant cet intervalle il ne sera permis à personne de prendre du poisson d'aucune manière, et s'il en est pris ou tué, il sera confisqué, ainsi que les seines ou autres engins employés.

13. Toutes les licences seront émises annuellement et resteront en vigueur pendant les périodes ci-après mentionnées, sujettes toutefois aux lois et règlements qui pourront de temps à autre être en vigueur concernant les saisons réservées, savoir :—"Les licences commerciales" du 1er mai au 4 octobre suivant, ces deux jours inclusivement ; les "licences domestiques" du 15 décembre au 4 octobre suivant, ces deux jours inclusivement.

14. Personne ne fera usage de filets en forme de sac ou de piège, ou de parc ou d'enclos pour prendre du poisson dans les eaux du Manitoba ou des Territoires du Nord-Ouest, sauf aux conditions suivantes :—

Le porteur d'une "licence commerciale" émise dans ce but, pourra faire la pêche avec un rets à enclos après la saison de 1893, dans les limites prescrites pour la pêche sous "licence commerciale" dans le lac Winnipeg seulement ;

Pourvu que nulle compagnie, société, commerçant, ou personne n'emploiera ou ne sera licencié à employer plus de quatre rets à enclos ; et pourvu aussi que nulle compagnie, société, commerçant ou personne ne

pourra porter des licences pour l'usage de rets à mailer et de rets à enclos en même temps.

Les mailles des rets à enclos ou à piège auront au moins quatre pouces et demi d'extension dans les "pots," "parcs," "cœurs," et "tunels," et au moins sept pouces dans la "barre" ou "conduit,"—les parcs ou enclos à double entrée sont par le présent défendus.

L'honoraire payable sur une "licence commerciale" pour pêcher avec rets à enclos sera de \$50 pour chaque rets à enclos compris dans la licence, avec 10 centins en sus pour chaque brasse de longueur du conduit à ce rets.

15. On ne jettera ni ne laissera passer ou séjourner de chaux, de substances chimiques, de drogues, de matières vénéneuses, de poisson mort ou gâté, de débris de poisson, de la sciure de bois et des déchets de scieries, ou autres substances délétères, dans les eaux fréquentées par le poisson au Manitoba et les Territoires du Nord-Ouest; quiconque enfreindra ce règlement encourra une amende n'excédant pas cent piastres.

16. Les présents règlements s'appliqueront aux Sauvages et Métis aussi bien qu'aux colons et toutes autres personnes; pourvu toujours que le ministre de la Marine et des Pêcheries pourra de temps à autre mettre à part et réserver pour l'usage exclusif des Sauvages les eaux qu'il jugera nécessaire, et pourra accorder aux Sauvages ou à leurs bandes, des licences gratuites de pêcher pendant les saisons réservées, pour eux-mêmes ou leurs bandes, dans le but de se procurer de la nourriture, mais non dans un but de vente, troc ou trafic.

17. Il est défendu de faire usage de matières explosives d'une nature quelconque pour prendre ou tuer le poisson dans les eaux du Manitoba et des Territoires du Nord-Ouest; et l'usage de dards, d'hameçons-grappins, nigogues, nishagans et d'armes à feu pour tuer le poisson est aussi défendu:

Pourvu toutefois que des licences spéciales pourront être accordées aux Sauvages ou bandes de Sauvages leur permettant de prendre et tuer du poisson en la manière prescrite dans telle licence à la seule fin de se procurer de la nourriture pour eux-mêmes ou leurs bandes.

18. Nul commerçant, colporteur, regrattier ou autre personne que ce soit n'achètera, trafiquera ou autrement obtiendra ou aura en sa possession du poisson d'aucune espèce, pris ou tué par des Sauvages, Métis ou autre personne quelconque sur une réserve des Sauvages, ou ailleurs, pendant les saisons réservées par la loi, et pendant lesquelles les Sauvages sont autorisés par licences ou autrement à prendre du poisson dans le seul but de se procurer de la nourriture pour eux-mêmes ou leurs bandes.

19. Pour le renseignement des personnes qui obtiendront des licences en vertu des présents règlements, ces règlements seront imprimés sur chaque licence.

20. Le ministre de la Marine et des Pêcheries ayant décidé que la chose était nécessaire dans l'intérêt du public, toute digue, glissoire ou autre obstacle fait ou à faire sur ou en travers d'une rivière ou cours d'eau dans le Manitoba et les Territoires du Nord-Ouest, sera muni de la passe-migratoire nécessaire prescrite par l'article 13 de l'Acte des pêcheries; et nul filet ou autre engin ne sera employé pour prendre ou tuer le poisson, ou l'empêcher de descendre ou remonter une rivière ou un cours d'eau, dans un rayon de 200 verges de toute telle digue, glissoire, écluse ou passe-migratoire, ni dans aucune autre partie de ces rivières et cours d'eau, sans laisser au moins la moitié du chenal principal parfaitement libre de l'opération de tout tel rets ou autre engin comme susdit.

21. Les présents règlements remplaceront tous règlements antérieurs faits en vertu de l'Acte des pêcheries qui concernent les pêches dans les eaux du Manitoba et les Territoires du Nord-Ouest du Canada, et les dits règlements antérieurs sont par le présent abrogés.

22. Toutes matières, instruments ou appareils employés, et tout poisson pris ou tué en contravention des présents règlements seront saisis et confisqués, et toute personne contrevenant aux présents règlements encourra les peines édictées par l'Acte des pêcheries.

L'adjudicataire fournira et entretiendra un bac de pas moins de 36 pieds de quille et 22 pieds de bau, mû soit par des rames ou autres moyens, propre au transport avec sûreté et à une vitesse raisonnable, de 20 piétons et d'une voiture chargée, et ce bateau sera sujet à l'approbation du ministre du Revenu de l'Intérieur.

3. DÉBARCADÈRES OU QUAIS.

L'adjudicataire construira sur les deux côtés de la rivière et les entretiendra pendant la durée du bail, des embarcadères ou quais qui pourront servir en tout état de l'eau dans la rivière, munis de poteaux d'amarrage convenables et d'autres appareils nécessaires pour permettre d'embarquer et de débarquer, sans danger, les passagers, attelages et voitures; et ces embarcadères et quais seront soumis à l'approbation du ministre du Revenu de l'Intérieur.

4. NOMBRE DE TRAVERSÉES.

Le bac traversera aussi souvent que la commodité du public l'exigera, entre le lever et le coucher du soleil, tous les jours (à l'exception du dimanche) lorsqu'il sera signalé d'un côté ou de l'autre de la rivière; et le ministre du Revenu de l'Intérieur pourra en tout temps exiger que les traversées soient faites à des heures fixes aussi bien que lorsque les passagers le signaleront.

5. TARIF.

Le tarif maximum des péages sera comme suit:—

La publication de ces avis durera, dans chaque cas, la période de deux mois pendant l'intervalle de temps qui s'écoulera entre la clôture de la session précédente et la prise en considération de la pétition. Un exemplaire des numéros des journaux, reproduisant la première et la dernière insertion de l'avis, devra être transmis au greffier de chaque Chambre.

Toute personne désirant obtenir un bill privé devra, dans les huit jours qui précéderont l'ouverture du parlement, déposer au bureau du greffier de la Chambre dans laquelle le bill doit prendre naissance, une copie de ce bill en langue anglaise ou en langue française, avec une somme suffisante pour en payer la traduction et l'impression. Il en sera imprimé 600 exemplaires en anglais et 200 en français ; la traduction devra être faite par les officiers de la Chambre, et l'impression par l'entrepreneur des impressions. Le pétitionnaire aura aussi à payer au greffier du Sénat, ou au comptable de la Chambre des Communes (selon le cas) une somme de \$200, plus le coût de l'impression de l'acte dans les Statuts, et remettra le reçu de ce paiement au greffier du comité auquel ce bill aura été renvoyé—le dit paiement sera effectué immédiatement après la seconde lecture avant la prise en considération du bill par le comité.

L'honoraire payable sur tout bill privé, ne sera payé que dans la Chambre où il a pris naissance.

Aucune pétition pour l'obtention d'un bill privé ne sera reçue par l'une ou par l'autre Chambre après les dix premiers jours de la session.

Greffier du Sénat.

AT THE GOVERNMENT HOUSE AT OTTAWA.

Monday, the 4th day of January, 1892.

PRESENT :

HIS EXCELLENCY THE GOVERNOR GENERAL
IN COUNCIL.

HIS Excellency having in view the more efficient protection of the fish in the Province of Manitoba and in the North-West Territories is pleased, under the

authority conferred upon him by "The Fisheries Act," chapter 95 of the Revised Statutes, and by and with the advice of the Queen's Privy Council for Canada, to order that the Fishery Regulations for the Province of Manitoba and the North-West Territories, established by the Order in Council of the 18th July, 1889, chapter 74 of the Consolidated Orders in Council of Canada, and the Order in Council of the 18th March, 1890, shall be and the same are hereby rescinded, and that the following be substituted in lieu thereof:—

REGULATIONS RELATING TO FISHING IN
MANITOBA AND THE NORTH-WEST
TERRITORIES.

1. There shall be two kinds of licenses for fishing in the Province of Manitoba and the North West Territories, to be designated "commercial licenses" and "domestic licenses"; which licenses shall be issued to resident British subjects only, and who are the actual owners of the fishing gear included in such license.

2. Every company, firm, trader, or person, fishing for trade and commerce in that part of Lake Winnipeg hereinafter specified, shall have a "commercial license," and the applicant for such license shall, in the application thereof, mention the number of tugs, or other boats, to be employed under such license, as well as the length, size, and description of nets to be used, and that such license is applied for for the purpose of fishing in Lake Winnipeg only, and outside the excluded limits, as shown on the map descriptive of Lake Winnipeg, which accompanied the Annual Fisheries Report of 1890.

3. No fishing tug shall fish with more than 10,000 yards of gill-nets, and no sailing or trading boat shall fish with more than 3,000 yards of gill-nets, and all gill-nets so used shall be not less than five (5) inches extension measure in the size of the mesh.

4. The fee payable on a "commercial license" for gill-net fishing shall be, for every fishing tug included in such license, \$20, and in addition a fee of \$2 for every 1,000 yards of net included in the license; and for every sailing, trading, or other fishing boat, included in a "commercial license," a fee of \$10 shall be paid, which shall include a limit of 3,000 yards of net to each boat; but in no case shall a "commercial license" be granted to any one company, firm, trader, or person for the use of more than in the whole 40,000 yards of net, and no company, firm, trader, or person shall have, or be interested in more than one "commercial license."

5. To prevent the great destruction of fish, in many cases unfit for the market, or for human food, caused by catching them in gill-nets during inclement weather, "commercial licenses" for gill-net fishing in Lake Winnipeg will not be granted after the season of 1893.

6. Every farmer, settler, or *bonâ fide* fisherman, Indian or half-breed, who is an actual resident of the locality where he proposes to fish, shall be entitled to a "domestic license." The holder of a "domestic license" (except in the case of a license for seine fishing), shall be entitled to fish with not more than 300 yards of net. A fee of \$2 shall be paid for each "domestic license."

Applicants for "domestic license" shall describe in their applications the locality, and the nets or other apparatus which they desire included in the license, and also the kinds of fish they desire to be licensed to catch.

Nets for catching whitefish, trout, or tullibee, or nets used on the grounds usually frequented by these fish, shall have a mesh of not less than 5 inches extension measure; provided that when the applicants apply for a license to fish for other fish than the above named in a locality not frequented by whitefish, tullibee, or trout, then the mesh may be not less than 4 inches extension measure.

A "domestic" fishing license may be granted for any of the waters of Manitoba and the North-West Territories; provided, however, that no description of net, or other fishing apparatus, whatsoever, shall be used under a "domestic" or other license, within a radius of half a mile of the mouth or outlet of any

river, or stream, flowing into or out of any of the lakes of Manitoba or the North-West Territories.

7. The holder of a "domestic license" for net fishing for sturgeon, shall be entitled to use not more than 300 yards of gill-net, with a mesh of not less than 12 inches extension measure.

A fee of \$2 shall be paid for each such license.

8. The holder of a "domestic license" for seine fishing shall be entitled to use a seine not exceeding 66 yards in length, with the mesh not less than 4 inches extension measure.

A fee of \$25 shall be paid for each such license.

9. No "commercial" or "domestic license" shall be issued until the fees therefor have been paid; such fees being payable strictly in advance.

10. Fishing by means of nets or other apparatus, without leases or licenses, is prohibited in the waters of Manitoba and the North-West Territories.

11. The following shall be the close seasons during which the several fish herein mentioned shall not be fished for, caught, killed, bought, sold or had in possession by anyone whomsoever:—

(1.) Whitefish, salmon trout or lake trout, and tullibee, between the 5th day of October and the 15th December in each year, both days inclusive:

(2.) Pickerel (doré), gold-eyes, pike, mullets, and maskinongé, between 15th April and 15th May, both days inclusive:

(3.) Speckled trout of every kind, between 15th September and 1st May, both days inclusive.

(4.) Sturgeon, between 15th May and 15th July in each year, both days inclusive.

12. Seines, nets, or other apparatus, used for catching fish shall be so raised or adapted as to admit of the free passage of fish through, by, or out of the same, from six o'clock on every Saturday afternoon to six o'clock on every following Monday forenoon, and during such close time no one shall catch fish by any means whatsoever; and any fish so taken, caught or killed, together with the nets or other apparatus used shall be forfeited.

13. All licenses shall be issued annually and shall be in force for the periods hereinafter mentioned, subject, however, to the laws and regulations that may from time to time be in force respecting close seasons, viz.:—"Commercial licenses" from 1st May to 4th October following, both days inclusive; "domestic licenses" from the 15th December to 4th October following, both days inclusive.

14. No one shall use a bag-net, trap-net or "fish-pound," for capturing fish in the waters of Manitoba or the North-West Territories, except under the following conditions:—

The holder of a "commercial license" issued for that purpose, may engage in pound-net fishing after the season of 1893, within the prescribed limits for fishing under "commercial licenses," in Lake Winnipeg only:

Provided that no company, firm, trader, or person, shall use, or be licensed to use more than four pound-nets; and provided also that no company, firm, trader or person shall at the same time hold licenses for the use of both gill-nets and pound-nets.

The mesh of pound or trap-nets of every description shall be not less than four and one-half inches extension measure in the "pots," "pounds," "hearts," and "tunnels," and not less than seven inches in the "bar" or "leader,"—double-headed pounds are hereby prohibited.

The fee payable on a "commercial license" for pound-net fishing shall be \$50 for each pound-net included in the license, together with a fee of 10 cents for every fathom length of the leader to such net.

15. Lime, chemical substances, or drugs, poisonous matter, dead, or decaying fish, offal of fish, saw-dust and mill rubbish, or any other deleterious substances, shall not be thrown into, or be allowed to pass into, or be left or remain in any water frequented by fish in Manitoba and the North-West Territories; and any person violating this regulation shall incur a penalty not exceeding one hundred dollars.

16. These regulations shall apply to Indians and half-breeds, as well as to settlers and all other persons: provided always, that the Minister of Marine and Fisheries may from time to time set apart for the

exclusive use of the Indians, such waters as he may deem necessary, and may grant to Indians or their bands, free licenses to fish during the close seasons, for themselves or their bands, for the purposes of providing food for themselves, but not for the purpose of sale, barter or traffic.

17. The use of explosive materials of any kind to catch or kill fish is prohibited in the waters of Manitoba and the North-West Territories, and the use of spears, grapnel-hooks, negogs, nishagans and fire-arms for killing fish is also prohibited:

Provided always, that special licenses may be issued to Indians or Indian bands permitting them to catch and kill fish in the manner specified in such license for the sole purpose of providing themselves or their bands with food.

18. No trader, peddler, hawker, or any other person whomsoever, shall engage in buying, trading, or otherwise obtain or be in possession of fish of any description, caught or killed by Indians, half-breeds, or any other person whomsoever, on any Indian reserve, or elsewhere, during the close seasons fixed by law, and in which Indians are permitted by license or otherwise to catch fish for the sole purpose of providing food for themselves or their bands.

19. For the information of persons obtaining licenses under these regulations, every license shall have the regulations printed upon it.

20. The Minister of Marine and Fisheries having determined that it is necessary in the public interest, every dam, slide, or other obstruction, made or to be made, across or in any river or stream in Manitoba or the North-West Territories, shall have the necessary fish-pass as provided by section 13 of the Fisheries Act, and no net or other device shall be used to catch or kill fish, or obstruct their passage up or down any river or stream within 200 yards of any such dam, slide, sluice or fish-pass therein; nor in any other parts of such rivers and streams, without leaving at least one-half of the main channel thereof wholly freed from the operations of any such net, or other device, as aforesaid.

21. These regulations shall supersede all former regulations heretofore made under the Fisheries Act, which relate to the fisheries in the waters of Manitoba and the North-West Territories of Canada, and such former regulations are hereby repealed.

22. All materials, implements or appliances used and all fish caught, taken or killed in violation of these regulations shall be seized and confiscated, and any person or persons, violating these regulations shall incur the penalties provided by the Fisheries Act.

NOTICE TO MARINERS.

No. 1 of 1892.

I. PUGET SOUND.

Notice is given by the Lighthouse Board of the United States of America, that a bell buoy, painted red, without number, has been moored in 36 feet at low water to mark the end of the spit about $\frac{1}{4}$ mile to the northward of Duwamish Head, Puget Sound, Washington.

Bearings of prominent objects are approximately:—Duwamish Head, S. S. E. $\frac{1}{2}$ E.; Battery Point Post-Light, S. S. W.; Blakely Rock, S. W. by W. $\frac{1}{2}$ W.; West Point Lighthouse, N. W. $\frac{3}{4}$ W.

This notice affects Admiralty Charts Nos. 1947 and 2531.

II. STRAIT OF JUAN DE FUCA.

Notice is also given by the same Board, that a bell buoy, painted red, without number, has been moored in 31 feet at low water, just outside the kelp, about $\frac{1}{4}$ mile to the westward of Point Partridge, Strait of Juan de Fuca, Washington.

Bearings of prominent objects are approximately:—Point Partridge, E. N. E. $\frac{1}{2}$ E.; Admiralty Head Lighthouse, E. S. E. $\frac{1}{2}$ E.; Smith Island Lighthouse, N. W. $\frac{1}{2}$ W.

The first-class nun buoy, red No. 2, off Point Partridge, has been discontinued.

This notice affects Admiralty Charts Nos. 1917, 1947, 2531 and 2689.

WM. SMITH,
Deputy Minister of Marine.
Department of Marine,
Ottawa, Canada, 12th January, 1892.

All bearings are magnetic and are given from seaward, miles are nautical miles, heights are above high water, and all depths are at mean low water.

Pilots, masters, or others interested are earnestly requested to send information of dangers, changes in aids to navigation, notice of new shoals or channels, errors in publications, or any other facts affecting the navigation of Canadian waters to the Deputy Minister of Marine, Ottawa, Canada. 30-3

NOTICE TO MARINERS.

No. 2 of 1892.

NON EXISTENCE OF CERTAIN SHOALS OFF RICH POINT.

Information received from Staff-Commander W. Tooker, R. N., in charge of Newfoundland Survey, dated 27th September, 1891, shows that recent examin-

ation of the locality of Rich Point, west coast of Newfoundland, and information obtained locally, tend to disprove the existence of the two rocky shoals charted as lying, respectively, 1 mile N. (N. 34° W. true), and $\frac{3}{4}$ mile N. N.-W. $\frac{1}{2}$ W. (N. 62° W. true) from that point. Depths of 40 to 90 fathoms were obtained around the reported positions, and no indications of shoal water were observed. These shoals have consequently been removed from the Admiralty charts.

During this examination a rocky bank, about 400 yards in extent, within the 10-fathom line, with a least depth of 7 fathoms, was found lying with Rich Point old lighthouse bearing E. by S. $\frac{1}{4}$ S. (N. 70° E. true) distant $1\frac{1}{2}$ miles.

Fishermen in the locality state that in heavy weather the sea breaks on this bank and on the 9-foot rock north of the point, but in no other position.

Approximate position :

Long. W. 50° 41' 15"
Lat. N. 57° 26'

CAUTION.—As the locality seaward of Rich Point is imperfectly sounded, a wide berth had better be given the point.

This notice affects Admiralty charts Nos. 232b, 284, 2516 and 2918.

II. ERRATUM IN DESCRIPTION OF RONDEAU HARBOUR LIGHTS.

The astronomical bearing of the range lights at Rondeau Harbour is North 13° East, and not North 30° East, as printed in Notice to Mariners No. 53 of 1891.

HOTEL DU GOUVERNEMENT À OTTAWA.

Lundi, le 4e jour de janvier 1892.

PRÉSENT :

SON EXCELLENCE LE GOUVERNEUR GÉNÉRAL EN CONSEIL.

DANS le but de mieux protéger le poisson dans la province de Manitoba et dans les Territoires du Nord-Ouest, il plaît à Son Excellence, en vertu de l'autorité qui lui est conférée par "l'Acte des pêcheries," chapitre 95 des Statuts Révisés, et par et avec l'avis du Conseil privé de la Reine pour le Canada, d'ordonner que les Règlements de pêche pour la province du Manitoba et les Territoires du Nord-Ouest, établis par l'arrêté en conseil du 18 juillet 1889, chapitre 74 des Arrêtés en conseil refondus du Canada, et l'arrêté en conseil du 18 mars 1890, soient et ils sont par le présent rescindés, et remplacés par les suivants :

RÈGLEMENTS CONCERNANT LA PÊCHE DANS LE MANITOBA ET LES TERRITOIRES DU NORD-OUEST.

1. Il y aura deux sorte de licences pour pêcher dans la province du Manitoba et les Territoires du Nord-Ouest, désignées respectivement "Licences commerciales" et "Licences domestiques." Ces licences ne seront accordées qu'à des sujets britanniques résidents, et qui seront les propriétaires réels des engins de pêche désignés dans la licence.

2. Toute compagnie, société, commerçant ou personne faisant la pêche pour le commerce et le trafic dans cette partie du lac Winnipeg ci-après spécifiée, aura une "licence commerciale," et le requérant pour cette licence devra, dans sa demande, mentionner le nombre de remorqueurs ou autres bateaux qui seront employés sous cette licence, ainsi que la longueur, la grandeur et la description des rets qui seront employés, et que cette licence est demandée dans le but de pêcher dans le lac Winnipeg seulement, et en dehors des limites réservées, telles que démontrées sur la carte descriptive du lac Winnipeg qui accompagnait le Rapport annuel des pêcheries de 1890.

3. Nul remorqueur de pêche ne pêchera avec plus de 10,000 verges de rets à mailler, et nul bateau à voile ou de commerce ne pêchera avec plus de 3,000 verges de rets à mailler, et tous rets à mailler ainsi employés auront des mailles de pas moins de cinq (5) pouces d'extension.

4. L'honoraire payable pour une "licence commerciale" pour pêcher avec des rets à mailler sera de \$20 pour chaque remorqueur de pêche compris dans la licence, et en outre un honoraire de \$2 pour chaque 1,000 verges de rets comprises dans la licence ; et pour chaque bateau à voile, de commerce ou autre compris dans une "licence commerciale," un honoraire de \$10 sera payé, qui comprendra une limite de 3,000 verges de rets pour chaque bateau ; mais dans aucun cas il ne sera accordé de "licence commerciale" à une seule et même compagnie, société, commerçant ou personne pour l'emploi de plus que 40,000 verges de rets en tout, et nulle compagnie, société, commerçant ou personne n'aura ou ne sera intéressé dans plus d'une "licence commerciale."

5. Afin d'empêcher la grande destruction du poisson, dans bien des cas impropre au marché, ou immangeable, causée en le prenant dans les rets à mailler pendant le mauvais temps, il ne sera pas accordé de "licences commerciales" pour pêcher avec des rets à mailler dans le lac Winnipeg après la saison de 1893.

6. Chaque cultivateur, colon ou pêcheur de bonne foi, Sauvage ou Métis, qui est domicilié dans l'endroit où il se propose de pêcher, aura droit d'obtenir une "licence domestique." Le porteur d'une "licence domestique" (sauf dans le cas d'une licence pour pêcher à la seine) aura droit de pêcher avec pas plus de 300 verges de rets. Un honoraire de \$2 sera payé pour chaque "licence domestique."

Les requérants pour une "licence domestique" déclareront dans leurs demandes l'endroit, et les rets ou autre appareil qu'ils désirent comprendre dans la licence et aussi l'espèce de poisson qu'ils désirent être autorisés de prendre.

Les rets pour prendre le poisson blanc, la truite, la tullibie, ou les rets employés sur les bancs ordinairement fréquentés par ces poissons, auront des mailles de pas moins de 5 pouces d'extension ; pourvu que lorsque ces requérants demandent une licence pour pêcher d'autre poisson que celui ci-dessus mentionné dans un endroit non fréquenté par le poisson blanc, la tullibie ou la truite, alors les mailles pourront être de pas moins de 4 pouces d'extension.

Une "licence domestique" pourra être accordée pour aucune des eaux du Manitoba et les Territoires du Nord-Ouest ; pourvu, toutefois, qu'aucune description quelconque de rets ou autre appareil de pêche ne sera employée sous une licence "domestique" ou autre dans un rayon d'un mille de l'embouchure ou de la décharge de toute rivière ou cours d'eau qui se jette dans aucun des lacs du Manitoba ou des Territoires du Nord-Ouest ou en sort.

7. Le porteur d'une "licence domestique" pour pêcher l'esturgeon avec des rets aura droit d'employer pas plus de 300 verges de rets à mailler, avec des mailles de pas moins de 12 pouces d'extension.

Un honoraire de \$2 sera payé pour toute telle licence.

8. Le porteur d'une "licence domestique" pour pêcher à la seine aura droit d'employer une seine n'excédant pas 66 verges de longueur, avec des mailles de pas moins de 4 pouces d'extension.

Un honoraire de \$25 sera payé pour toute telle licence.

9. Il ne sera émis aucune licence "commerciale" ou "domestique" tant que les honoraires voulus n'auront

pas été payés ; ces honoraires sont payables strictement d'avance.

10. La pêche au moyen de rets ou autres appareils, sans baux ou licences, est défendue dans les eaux du Manitoba et des Territoires du Nord-Ouest.

11. Ci-suivent les saisons réservées pendant lesquelles il est défendu à qui que ce soit de pêcher, prendre, tuer, acheter, vendre ou avoir en sa possession les diverses espèces de poissons y mentionnées :—

(1.) Le poisson blanc, la truite saumonée ou truite des lacs, et la tullibie : entre le 5 d'octobre et le 15 de décembre de chaque année, ces deux jours inclusivement ;

(2.) Le doré, l'œil-d'or, le brochet, le mullet et le maskinongé : entre le 15 avril et le 15 mai, ces deux jours inclusivement ;

(3.) La truite mouchetée de toutes sortes : entre le 15 septembre et le 1er mai, ces deux jours inclusivement ;

(4.) L'esturgeon : entre le 15 mai et le 15 de juillet de chaque année, ces deux jours inclusivement.

12. Les seines, filets ou autres engins employés pour prendre le poisson devront être relevés ou disposés de manière à laisser librement circuler le poisson, ou à lui permettre de le traverser ou d'en sortir, depuis six heures chaque samedi soir jusqu'à six heures chaque lundi matin suivant ; et durant cet intervalle il ne sera permis à personne de prendre du poisson d'aucune manière, et s'il en est pris ou tué, il sera confisqué, ainsi que les seines ou autres engins employés.

13. Toutes les licences seront émises annuellement et resteront en vigueur pendant les périodes ci-après mentionnées, sujettes toutefois aux lois et règlements qui pourront de temps à autre être en vigueur concernant les saisons réservées, savoir :—“ Les licences commerciales ” du 1er mai au 4 octobre suivant, ces deux jours inclusivement ; les “ licences domestiques ” du 15 décembre au 4 octobre suivant, ces deux jours inclusivement.

14. Personne ne fera usage de filets en forme de sac ou de piège, ou de parc ou d'enclos pour prendre du poisson dans les eaux du Manitoba ou des Territoires du Nord-Ouest, sauf aux conditions suivantes :—

Le porteur d'une “ licence commerciale ” émise dans ce but, pourra faire la pêche avec un rets à enclos après la saison de 1893, dans les limites prescrites pour la pêche sous “ licence commerciale ” dans le lac Winnipeg seulement :

Pourvu que nulle compagnie, société, commerçant, ou personne n'emploiera ou ne sera licencié à employer plus de quatre rets à enclos ; et pourvu aussi que nulle compagnie, société, commerçant ou personne ne pourra porter des licences pour l'usage de rets à mailler et de rets à enclos en même temps.

Les mailles des rets à enclos ou à piège auront au moins quatre pouces et demi d'extension dans les “ pots,” “ parcs,” “ cœurs ” et “ tunels,” et au moins sept pouces dans la “ barre ” ou “ conduit,”—les parcs ou enclos à double entrée sont par le présent défendus.

L'honoraire payable sur une “ licence commerciale ” pour pêcher avec rets à enclos sera de \$50 pour chaque rets à enclos compris dans la licence, avec 10 centins en sus pour chaque brasse de longueur du conduit à ce rets.

15. On ne jettera ni ne laissera passer ou séjourner de chaux, de substances chimiques, de drogues, de matières vénéneuses, de poisson mort ou gâté, de débris de poisson, de la sciure de bois et des déchets de scieries, ou autres substances délétères, dans les eaux fréquentées par le poisson au Manitoba et les Territoires du Nord-Ouest ; quiconque enfreindra ce règlement encourra une amende n'excédant pas cent piastres.

16. Les présents règlements s'appliqueront aux Sauvages et Métis aussi bien qu'aux colons et toutes autres personnes ; pourvu toujours que le ministre de la Marine et des Pêcheries pourra de temps à autre mettre à part et réserver pour l'usage exclusif des Sauvages les eaux qu'il jugera nécessaire, et pourra accorder aux Sauvages ou à leurs bandes, des licences gratuites de pêcher pendant les saisons réservées, pour eux-mêmes ou leurs bandes, dans le but de se procurer la nourriture, mais non dans un but de vente, trafic ou trafic.

17. Il est défendu de faire usage de matières explosives d'une nature quelconque pour prendre ou tuer

le poisson dans les eaux du Manitoba et des Territoires du Nord-Ouest ; et l'usage de dards, d'hameçons-grappins, nigogues, nishagans et d'armes à feu pour tuer le poisson est aussi défendu :

Pourvu toutefois que des licences spéciales pourront être accordées aux Sauvages ou bandes de Sauvages leur permettant de prendre et tuer du poisson en la manière prescrite dans telle licence à la seule fin de se procurer de la nourriture pour eux-mêmes ou leurs bandes.

18. Nul commerçant, colporteur, regrattier ou autre personne que ce soit n'achètera, trafiquera ou autrement obtiendra ou aura en sa possession du poisson d'aucune espèce, pris ou tué par des Sauvages, Métis ou autre personne quelconque sur une réserve des Sauvages, ou ailleurs, pendant les saisons réservées par la loi, et pendant lesquelles les Sauvages sont autorisés par licences ou autrement à prendre du poisson dans le seul but de se procurer de la nourriture pour eux-mêmes ou leurs bandes.

19. Pour le renseignement des personnes qui obtiendront des licences en vertu des présents règlements, ces règlements seront imprimés sur chaque licence.

20. Le ministre de la Marine et des Pêcheries ayant décidé que la chose était nécessaire dans l'intérêt du public, toute digue, glissoire ou autre obstacle fait ou à faire sur ou en travers d'une rivière ou cours d'eau dans le Manitoba et les Territoires du Nord-Ouest, sera muni de la passe-migratoire nécessaire prescrite par l'article 13 de l'Acte des pêcheries ; et nul filet ou autre engin ne sera employé pour prendre ou tuer le poisson, ou l'empêcher de descendre ou remonter une rivière ou un cours d'eau, dans un rayon de 200 verges de toute telle digue, glissoire, écluse ou passe-migratoire, ni dans aucune autre partie de ces rivières et cours d'eau, sans laisser au moins la moitié du chenal principal parfaitement libre de l'opération de tout tel rets ou autre engin comme susdit.

21. Les présents règlements remplaceront tous règlements antérieurs faits en vertu de l'Acte des pêcheries qui concernent les pêches dans les eaux du Manitoba et les Territoires du Nord-Ouest du Canada, et les dits règlements antérieurs sont par le présent abrogés.

22. Toutes matières, instruments ou appareils employés, et tout poisson pris ou tué en contravention des présents règlements seront saisis et confisqués, et toute personne contrevenant aux présents règlements encourra les peines édictées par l'Acte des pêcheries.

SON EXCELLENCE LE GOUVERNEUR GÉNÉRAL EN CONSEIL.

CONSIDÉRANT qu'il a été jugé expédient de modifier quelques-uns des règlements qui régissent le passage d'eau sur la rivière Ottawa entre Gower Point, dans le comté de Renfrew, province d'Ontario, et Lapasse, dans le comté de Pontiac, province de Québec,—

Il plaît à Son Excellence, par et avec l'avis du Conseil privé de la Reine pour le Canada, et en vertu des dispositions de l'article 5 du chapitre 97 des Statuts Révisés du Canada, intitulé “ Acte concernant les passages d'eau,” d'ordonner que les règlements suivants soient établis pour la gouverne du dit passage d'eau.

3. DÉBARCADÈRES OU QUAIS.

L'adjudicataire construira sur les deux côtés de la rivière et les entretiendra pendant la durée du bail, des embarcadères ou quais qui pourront servir en tout état de l'eau dans la rivière, munis de poteaux d'amarrage convenables et d'autres appareils nécessaires pour permettre d'embarquer et de débarquer, sans danger, les passagers, attelages et voitures; et ces embarcadères et quais seront soumis à l'approbation du ministre du Revenu de l'Intérieur.

4. NOMBRE DE TRAVERSÉES.

Le bac traversera aussi souvent que la commodité du public l'exigera, entre le lever et le coucher du soleil, tous les jours (à l'exception du dimanche) lorsqu'il sera signalé d'un côté ou de l'autre de la rivière; et le ministre du Revenu de l'Intérieur pourra en tout temps exiger que les traversées soient faites à des heures fixes aussi bien que lorsque les passagers le signaleront.

Le Gouverneur-général en conseil aura aussi le droit de modifier le tarif maximum s'il était jugé expédient de le faire dans l'intérêt public, et le Gouverneur-général en conseil pourra annuler le bail lorsqu'il sera prouvé pleinement que le locataire néglige de remplir les conditions du bail.

DEMANDES AU PARLEMENT.

RÈGLES RELATIVES AUX AVIS DE BILLS PRIVÉS.

Dans le cas de toute demande de bill privé, proprement du ressort législatif du Parlement du Canada suivant les dispositions de l'Acte de l'Amérique Britannique du Nord, 1867, et ayant pour objet, soit la construction d'un pont, d'un chemin de fer, d'un chemin à barrières ou d'une ligne télégraphique ; soit la construction ou l'amélioration d'un port, d'un canal, d'une écluse, d'une digue ou d'une glissoire ou autre ouvrage semblable ; soit la concession d'un droit de passage d'eau, l'incorporation de professions ou métiers, ou d'une compagnie de banque ou autre compagnie par actions, soit la concession à une ou plusieurs personnes de certains droits ou privilèges exclusifs ou particuliers, soit le pouvoir de faire quelque chose qui, dans ses effets, pourrait toucher aux droits ou à la propriété d'autrui, ou concerner une classe particulière de la société ; ou ayant pour objet quelque amendement de même nature à un acte antérieur,—un avis, énonçant d'une manière claire et intelligible la nature et l'objet de la demande, et signé (excepté s'il s'agit de corporations déjà existantes) par les pétitionnaires ou de leur part, est nécessaire et doit être publié comme il suit :—

Dans les provinces de Québec et du Manitoba.

Un avis doit être inséré dans la *Gazette du Canada* en anglais et en français, ainsi que dans un journal anglais et un journal français du district intéressé, ou en anglais et en français dans le même journal, s'il ne s'en publie qu'un seul dans ce district ; ou s'il n'y paraît pas de journal, alors la publication de l'avis en anglais et en français doit se faire dans un journal du district le plus voisin où il s'en publie.

Dans les autres provinces ou territoires.

Un avis doit être inséré dans la *Gazette du Canada*, et dans un journal du comté, du district ou des comtés-unis intéressés, ou s'il n'y paraît pas de journal alors la

publication doit se faire dans un journal du comté ou district le plus voisin où il s'en publie.

La publication de ces avis durera, dans chaque cas, la période de deux mois pendant l'intervalle de temps qui s'écoulera entre la clôture de la session précédente et la prise en considération de la pétition. Un exemplaire des numéros des journaux, reproduisant la première et la dernière insertion de l'avis, devra être transmis au greffier de chaque Chambre.

Si la pétition demande l'autorisation de présenter un bill privé ayant pour objet la construction d'un pont de péage, le pétitionnaire ou les pétitionnaires devront, en même temps qu'ils donneront l'avis prescrit par la règle précédente, donner aussi, de la même manière, avis des péages qu'ils entendent exiger, de l'étendue du privilège, de la hauteur des arches, de l'espace à laisser libre entre les culées ou les piliers pour le passage des radeaux et des navires ; et mentionner de plus s'ils se proposent de construire un pont mobile, et quelles en seront les dimensions.

Toute personne désirant obtenir un bill privé devra, dans les huit jours qui précéderont l'ouverture du parlement, déposer au bureau du greffier de la Chambre dans laquelle le bill doit prendre naissance, une copie de ce bill en langue anglaise ou en langue française, avec une somme suffisante pour en payer la traduction et l'impression. Il en sera imprimé 600 exemplaires en anglais et 200 en français ; la traduction devra être faite par les officiers de la Chambre, et l'impression par l'entrepreneur des impressions. Le pétitionnaire aura aussi à payer au greffier du Sénat, ou au comptable de la Chambre des Communes (selon le cas) une somme de \$200, plus le coût de l'impression de l'acte dans les Statuts, et remettra le reçu de ce paiement au greffier du comité auquel ce bill aura été renvoyé—le dit paiement sera effectué immédiatement après la seconde lecture avant la prise en considération du bill par le comité.

L'honoraire payable sur tout bill privé, ne sera payé que dans la Chambre où il a pris naissance.

Aucune pétition pour l'obtention d'un bill privé ne sera reçue par l'une ou par l'autre Chambre après les dix premiers jours de la session.

EDOUARD J. LANGEVIN,
Greffier du Sénat.
JOHN GEORGE BOURINOT,
Greffier des Communes.

RÈGLES ADDITIONNELLES DE LA CHAMBRE DES COMMUNES CONCERNANT LES BILLS PRIVÉS.

Tous les bills privés demandant des actes constitutifs devront être rédigés de manière à y incorporer, en les spécifiant, les clauses des Actes généraux concernant les détails qui font l'objet de ces bills ; des raisons spéciales seront données chaque fois que l'on aura l'intention de se départir de ce principe, ou que l'on voudra y introduire d'autres dispositions touchant ces détails ; et une note sera annexée au bill indiquant les dispositions au sujet desquelles l'on entend s'écarter de l'Acte général ; les bills qui ne seront pas rédigés conformément à cette Règle, devront être remodelés par les auteurs et réimprimés à leurs frais, avant qu'aucun comité en examine les clauses.

51a. Tous les bills privés pour chartes ou pour modification de chartes de compagnies de chemins de fer seront rédigés conformément au bill-modèle adopté par la Chambre, le 23 juin 1887, dont copie peut être obtenue du greffier de la Chambre ;

(a.) Les dispositions contenues dans un bill quelconque qui ne seront pas conformes au bill-modèle, seront insérées entre crochets, et après avoir été revues par l'officier compétent, elles seront imprimées ainsi ; et les bills qui ne seront pas rédigés en conformité de cette règle seront renvoyés aux auteurs pour être remodelés avant leur revision et impression.

(b.) Toutes clauses d'actes existants que l'on proposera de modifier, seront imprimées en entier, avec les amendements insérés en leur lieu et place, et entre crochets ;

(c.) Toutes dispositions exceptionnelles que l'on proposera d'insérer dans un bill quelconque, seront imprimées dans l'avis publié.

51b. Nul bill pour la constitution légale d'une compagnie de chemin de fer ou pour changer le tracé du chemin de fer d'une compagnie déjà constituée ne sera pris en considération par le comité des chemins de fer

à moins qu'il n'ait été donné au comité, au moins une semaine avant la prise en considération du bill—

(a.) Une carte ou plan à l'échelle de pas moins d'un demi-pouce au mille, indiquant le territoire sur lequel l'on se propose de construire les travaux projetés, ainsi que les lignes de travaux analogues existants ou autorisés, dans les limites du district, ou partie du district que la ligne projetée doit desservir, ou affectant le dit district en aucune manière; cette carte ou plan devra être signé par l'ingénieur ou toute autre personne qui l'aura fait;

(b.) Un exhibit faisant connaître le montant total du capital que l'on se propose de prélever pour les fins de l'entreprise, et la manière dont on se propose de le prélever, soit au moyen d'actions ordinaires, obligations, débiteures ou autres garanties, et le montant respectif de chacune.

JOHN GEORGE BOURINOT,
Greffier des Communes.

SUBSTANCE DES RÈGLES ET FORMES DE PROCÉDER DU
SÉNAT CONCERNANT LES BILLS DE DIVORCE.

L'époux qui a l'intention de demander un bill de divorce doit faire connaître cette intention, ainsi que les noms de l'autre époux et la cause du divorce, par avis inséré, durant trois mois, entre l'expiration de la dernière session parlementaire avant l'avis et la présentation de sa pétition pour obtenir le bill, dans la *Gazette du Canada* et dans deux journaux du district où il avait sa résidence habituelle à l'époque de séparation d'avec son conjoint, s'il résidait alors dans la province de Québec, le Manitoba, la Colombie-Britannique ou les Territoires du Nord-Ouest,—ou du comté ou des comtés-unis, s'il résidait dans une autre province; mais si ce nombre de journaux ne s'y trouve pas, l'avis sera publié dans le district, le comté ou les comtés-unis voisins. Dans les provinces de Québec et de Manitoba, les insertions seront faites dans un journal anglais et un journal français, s'il en existe des deux langues dans le district; autrement, elles se feront en anglais et en français au même journal.

Il doit être signifié, à la diligence de l'époux pétitionnaire, un mois au moins avant la présentation de la pétition, une copie de cet avis à l'autre époux en personne, si cela est possible.

Aucune pétition en divorce n'est reçue après l'expiration des trente premiers jours de la session.

Toute pétition en divorce devra être écrite lisiblement et porter la signature du pétitionnaire. Elle énoncera sommairement le fait du mariage, le lieu et l'époque de sa célébration, les noms du célébrant, les griefs qui donnent lieu à la demande de redressement et la nature du redressement demandé, et en outre contiendra assurance qu'il n'y a pas eu réconciliation, collusion ni connivence. Les allégations de la pétition seront appuyées de la déclaration du pétitionnaire, faite en vertu de "l'Acte concernant les serments extrajudiciaires."

Huit jours avant l'ouverture du Parlement, le pétitionnaire déposera au bureau du greffier du Sénat, une copie en langue anglaise ou française du bill de divorce qui doit être présenté, et en même temps une somme suffisante pour payer la traduction et l'impression et tirage à 600 exemplaires anglais et 200 exemplaires français de ce bill.

La pétition en obtention d'un bill de divorce n'est présentée que lorsque le pétitionnaire a versé au bureau du greffier du Sénat une somme de \$200.

La pétition, au moment de sa présentation, doit être accompagnée de la preuve de la publication d'avis, d'une déclaration qu'il a été signifié une copie de l'avis, et d'une copie du bill qui doit être présenté.

EDOUARD J. LANGEVIN,

AT THE GOVERNMENT HOUSE AT OTTAWA.

PRESENT :

HIS EXCELLENCY THE GOVERNOR GENERAL
IN COUNCIL.

HIS Excellency, under the authority conferred upon him by section 21 of chapter 72 of the Revised Statutes of Canada, has been pleased to grant permission to change the name of the steamship "Thorn Holme" to "Louisburg."

32-4

JOHN J. McGEE,
Clerk, Privy Council.

AT THE GOVERNMENT HOUSE AT OTTAWA.

Wednesday, the 20th day of January, 1892.

PRESENT :

HIS EXCELLENCY THE GOVERNOR GENERAL
IN COUNCIL.

WHEREAS the Regulations governing the granting of yearly licenses to cut timber on Dominion lands established by the Order in Council of the 11th November, 1881, as well as by the Order in Council of the 17th day of September, 1889, chapter 98 of the Consolidated Orders in Council of Canada, provide that the licensee shall have in operation within one year from a date to be fixed in the license, and keep in operation for at least six months of each year of his holding, a saw-mill in connection with his berth capable of cutting daily at least one thousand feet board measure of lumber for every two and a-half square miles of the area licensed ;

And whereas this provision was enacted in order to encourage by every means the establishment of mills for the convenience of settlers who were removed from railways and other means of supplying themselves with lumber, and at a time when timber berths were granted without competition, and the result has been the establishment of a very considerable number of mills, and every facility is now afforded for the purchase of manufactured lumber in almost every settlement in Manitoba, the North West Territories, and within the Railway Belt in British Columbia,—

Therefore His Excellency, being of the opinion that the time has now arrived when a licensee should not be called upon to construct a mill unless the establishment thereof would supply a local need, is pleased to order under the provisions of chapters 54 and 56 of the Revised Statutes intitled respectively "The Dominion Lands Act," and "An Act respecting certain Public Lands in British Columbia," and by and with the advice of the Queen's Privy Council for Canada, that the Regulation which requires a licensee to have a saw-mill in operation upon his berth within a certain time, being subsection (d) of section 2 of the Regulations approved by the Order in Council of the 11th November, 1881, as well as subsection (f) of section 2 of the Order in Council of the 17th September, 1889, chapter 98 of the Consolidated Orders in Council of Canada, shall be and the same is hereby amended so that in respect of all licenses hereafter granted, the licensee shall be required to construct a mill and commence the manufacture of lumber from the timber on the tract covered by his license, within one year from the date when he is notified by the proper officer of the Department of the Interior that the Minister of the Interior regards such a step necessary or expedient in the public interest.

32-4

JOHN J. McGEE,
Clerk, Privy Council.

AT THE GOVERNMENT HOUSE AT OTTAWA.

Monday, the 11th day of January, 1892.

PRESENT :

AT THE GOVERNMENT HOUSE AT OTTAWA.

Monday, the 4th day of January, 1892.

PRESENT :

HIS EXCELLENCY THE GOVERNOR GENERAL
IN COUNCIL.

HIS Excellency having in view the more efficient protection of the fish in the Province of Manitoba and in the North-West Territories is pleased, under the authority conferred upon him by "The Fisheries Act," chapter 95 of the Revised Statutes, and by and with the advice of the Queen's Privy Council for Canada, to order that the Fishery Regulations for the Province of Manitoba and the North-West Territories, established by the Order in Council of the 18th July, 1889, chapter 74 of the Consolidated Orders in Council of Canada, and the Order in Council of the 18th March, 1890, shall be and the same are hereby rescinded, and that the following be substituted in lieu thereof :—

REGULATIONS RELATING TO FISHING IN
MANITOBA AND THE NORTH-WEST
TERRITORIES.

1. There shall be two kinds of licenses for fishing in the Province of Manitoba and the North West Territories, to be designated "commercial licenses" and "domestic licenses"; which licenses shall be issued to resident British subjects only, and who are the actual owners of the fishing gear included in such license.

2. Every company, firm, trader, or person, fishing for trade and commerce in that part of Lake Winnipeg hereinafter specified, shall have a "commercial license," and the applicant for such license shall, in the application thereof, mention the number of tugs, or other boats, to be employed under such license, as well as the length, size, and description of nets to be used, and that such license is applied for for the purpose of fishing in Lake Winnipeg only, and outside the excluded limits, as shown on the map descriptive of Lake Winnipeg, which accompanied the Annual Fisheries Report of 1890.

3. No fishing tug shall fish with more than 10,000 yards of gill-nets, and no sailing or trading boat shall fish with more than 3,000 yards of gill-nets, and all gill-nets so used shall be not less than five (5) inches extension measure in the size of the mesh.

4. The fee payable on a "commercial license" for gill-net fishing shall be, for every fishing tug included in such license, \$20, and in addition a fee of \$2 for every 1,000 yards of net included in the license; and for every sailing, trading, or other fishing boat, included in a "commercial license," a fee of \$10 shall be paid, which shall include a limit of 3,000 yards of net to each boat; but in no case shall a "commercial license" be granted to any one company, firm, trader, or person for the use of more than in the whole 40,000 yards of net, and no company, firm, trader, or person shall have, or be interested in more than one "commercial license."

5. To prevent the great destruction of fish, in many cases unfit for the market, or for human food, caused by catching them in gill-nets during inclement weather, "commercial licenses" for gill-net fishing in Lake Winnipeg will not be granted after the season of 1893.

6. Every farmer, settler, or *bona fide* fisherman, Indian or half-breed, who is an actual resident of the locality where he proposes to fish, shall be entitled to a "domestic license." The holder of a "domestic license" (except in the case of a license for seine fishing), shall be entitled to fish with not more than 300 yards of net. A fee of \$2 shall be paid for each "domestic license."

Applicants for "domestic license" shall describe in their applications the locality, and the nets or other apparatus which they desire included in the license, and also the kinds of fish they desire to be licensed to catch.

Nets for catching whitefish, trout, or tullibee, or nets used on the grounds usually frequented by these fish, shall have a mesh of not less than 5 inches exten-

sion measure; provided that when the applicants apply for a license to fish for other fish than the above named in a locality not frequented by whitefish, tullibee, or trout, then the mesh may be not less than 4 inches extension measure.

A "domestic" fishing license may be granted for any of the waters of Manitoba and the North-West Territories; provided, however, that no description of net, or other fishing apparatus, whatsoever, shall be used under a "domestic" or other license, within a radius of half a mile of the mouth or outlet of any river, or stream, flowing into or out of any of the lakes of Manitoba or the North-West Territories.

7. The holder of a "domestic license" for net fishing for sturgeon, shall be entitled to use not more than 300 yards of gill-net, with a mesh of not less than 12 inches extension measure.

A fee of \$2 shall be paid for each such license.

8. The holder of a "domestic license" for seine fishing shall be entitled to use a seine not exceeding 66 yards in length, with the mesh not less than 4 inches extension measure.

A fee of \$25 shall be paid for each such license.

9. No "commercial" or "domestic license" shall be issued until the fees therefor have been paid; such fees being payable strictly in advance.

10. Fishing by means of nets or other apparatus, without leases or licenses, is prohibited in the waters of Manitoba and the North-West Territories.

11. The following shall be the close seasons during which the several fish herein mentioned shall not be fished for, caught, killed, bought, sold or had in possession by anyone whomsoever:—

(1.) Whitefish, salmon trout or lake trout, and tullibee, between the 5th day of October and the 15th December in each year, both days inclusive:

(2.) Pickerel (doré), gold-eyes, pike, mullets, and maskinongé, between 15th April and 15th May, both days inclusive:

(3.) Speckled trout of every kind, between 15th September and 1st May, both days inclusive.

(4.) Sturgeon, between 15th May and 15th July in each year, both days inclusive.

12. Seines, nets, or other apparatus, used for catching fish shall be so raised or adapted as to admit of the free passage of fish through, by, or out of the same, from six o'clock on every Saturday afternoon to six o'clock on every following Monday forenoon, and during such close time no one shall catch fish by any means whatsoever; and any fish so taken, caught or killed, together with the nets or other apparatus used shall be forfeited.

13. All licenses shall be issued annually and shall be in force for the periods hereinafter mentioned, subject, however, to the laws and regulations that may from time to time be in force respecting close seasons, viz.:—"Commercial licenses" from 1st May to 4th October following, both days inclusive; "domestic licenses" from the 15th December to 4th October following, both days inclusive.

14. No one shall use a bag-net, trap-net or "fish-pound," for capturing fish in the waters of Manitoba or the North-West Territories, except under the following conditions:—

The holder of a "commercial license" issued for that purpose, may engage in pound-net fishing after the season of 1893, within the prescribed limits for fishing under "commercial licenses," in Lake Winnipeg only:

Provided that no company, firm, trader, or person, shall use, or be licensed to use more than four pound-nets; and provided also that no company, firm, trader or person shall at the same time hold licenses for the use of both gill-nets and pound-nets.

The mesh of pound or trap-nets of every description shall be not less than four and one-half inches extension measure in the "pots," "pounds," "hearts," and "tunnels," and not less than seven inches in the "bar" or "leader,"—double-headed pounds are hereby prohibited.

The fee payable on a "commercial license" for pound-net fishing shall be \$50 for each pound-net included in the license, together with a fee of 10 cents for every fathom length of the leader to such net.

15. Lime, chemical substances, or drugs, poisonous matter, dead, or decaying fish, offal of fish, saw-dust

and mill rubbish, or any other deleterious substances, shall not be thrown into, or be allowed to pass into, or be left or remain in any water frequented by fish in Manitoba and the North-West Territories; and any person violating this regulation shall incur a penalty not exceeding one hundred dollars.

16. These regulations shall apply to Indians and half-breeds, as well as to settlers and all other persons: provided always, that the Minister of Marine and Fisheries may from time to time set apart for the exclusive use of the Indians, such waters as he may deem necessary, and may grant to Indians or their bands, free licenses to fish during the close seasons, for themselves or their bands, for the purposes of providing food for themselves, but not for the purpose of sale, barter or traffic.

17. The use of explosive materials of any kind to catch or kill fish is prohibited in the waters of Manitoba and the North-West Territories, and the use of spears, gannet-hooks, negogs, nishagans and fire-arms for killing fish is also prohibited:

Provided always, that special licenses may be issued to Indians or Indian bands permitting them to catch and kill fish in the manner specified in such license for the sole purpose of providing themselves or their bands with food.

18. No trader, peddler, hawker, or any other person whomsoever, shall engage in buying, trading, or otherwise obtain or be in possession of fish of any description, caught or killed by Indians, half-breeds, or any other person whomsoever, on any Indian reserve, or elsewhere, during the close seasons fixed by law, and in which Indians are permitted by license or otherwise to catch fish for the sole purpose of providing food for themselves or their bands.

19. For the information of persons obtaining licenses under these regulations, every license shall have the regulations printed upon it.

20. The Minister of Marine and Fisheries having determined that it is necessary in the public interest, every dam, slide, or other obstruction, made or to be made, across or in any river or stream in Manitoba or the North-West Territories, shall have the necessary fish-pass as provided by section 13 of the Fisheries Act, and no net or other device shall be used to catch or kill fish, or obstruct their passage up or down any river or stream within 200 yards of any such dam, slide, sluice or fish-pass therein; nor in any other parts of such rivers and streams, without leaving at least one-half of the main channel thereof wholly freed from the operations of any such net, or other device, as aforesaid.

21. These regulations shall supersede all former regulations heretofore made under the Fisheries Act, which relate to the fisheries in the waters of Manitoba and the North-West Territories of Canada, and such former regulations are hereby repealed.

22. All materials, implements or appliances used and all fish caught, taken or killed in violation of these regulations shall be seized and confiscated, and any person or persons, violating these regulations shall incur the penalties provided by the Fisheries Act.

JOHN J. MCGEE,
Clerk, Privy Council.

NOTICE TO MARINERS.

No. 2 of 1892.

NON EXISTENCE OF CERTAIN HOALS OFF RICH POINT.

Information received from Staff-Commander W. Tooker, R. N., in charge of Newfoundland Survey, dated 27th September, 1891, shows that recent examination of the locality of Rich Point, west coast of Newfoundland, and information obtained locally, tend to disprove the existence of the two rocky shoals charted as lying, respectively, 1 mile N. (N. 34° W. true), and $\frac{3}{4}$ mile N. N.-W. $\frac{1}{2}$ W. (N. 62° W. true) from that point. Depths of 40 to 90 fathoms were obtained around the reported positions, and no indications of shoal water were observed. These shoals have consequently been removed from the Admiralty charts.

During this examination a rocky bank, about 400 yards in extent, within the 10-fathom line, with a least depth of 7 fathoms, was found lying with Rich Point old lighthouse bearing E. by S. $\frac{1}{4}$ S. (N. 70° E. true) distant $1\frac{1}{10}$ miles.

Fishermen in the locality state that in heavy weather the sea breaks on this bank and on the 9-foot rock north of the point, but in no other position.

Approximate position:

Long. W. 50° 41' 15"
Lat. N. 57° 26'

CAUTION.—As the locality seaward of Rich Point is imperfectly sounded, a wide berth had better be given the point.

This notice affects Admiralty charts Nos. 232b, 284, 2516 and 2918.

II. ERRATUM IN DESCRIPTION OF RONDEAU HARBOUR LIGHTS.

The astronomical bearing of the range lights at Rondeau Harbour is North 13° East, and not North 30° East, as printed in Notice to Mariners No. 53 of 1891.

WM. SMITH,

Deputy Minister of Marine.

Department of Marine,
Ottawa, Canada, 15th January, 1892.

 All bearings are magnetic and are given from seaward, miles are nautical miles, heights are above high water, and all depths are at mean low water.

Pilots, masters, or others interested are earnestly requested to send information of dangers, changes in aid to navigation, notices of new shoals or channels, errors in publications, or any other facts affecting the navigation of Canadian waters to the Deputy Minister of Marine, Ottawa, Canada.

The first-class nun buoy, red No. 2, off Point Partridge, has been discontinued.

HOTEL DU GOUVERNEMENT A OTTAWA.

Mercredi, le 20e jour de janvier 1892.

PRÉSENT :

SON EXCELLENCE LE GOUVERNEUR GÉNÉRAL EN CONSEIL.

CONSIDÉRANT que les règlements qui gouvernent l'octroi de licences annuelles pour couper du bois sur les terres fédérales établis par l'arrêté en conseil

du 11 novembre 1881, ainsi que par l'arrêté en conseil du 17 septembre 1889, chapitre 98 des Arrêtés en conseil refundus du Canada, décrètent que le porteur de la licence devra exploiter dans une année de la date déterminée dans la licence, et poursuivre l'exploitation pendant une période d'au moins six mois chaque année, tant qu'il sera porteur de cette licence, et pour le service de son fond de bois, une scierie pouvant couper en vingt-quatre heures, au moins mille pieds de bois, mesure de planche, pour chaque deux milles et demi en superficie de la coupe;

Et considérant que cette disposition a été établie afin d'encourager par tous les moyens possibles la construction de moulins pour la commodité des colons qui seraient éloignés des chemins de fer et autres moyens de se procurer du bois de construction, et alors que les coupes de bois étaient accordées sans concurrence, et il en est résulté la construction d'un nombre très considérable de moulins et presque chaque établissement dans le Manitoba, dans les Territoires du Nord-Ouest, et dans la zone du chemin de fer dans la Colombie-Britannique possède d'amples facilités pour acheter le bois fabriqué,—

En conséquence, il plaît à Son Excellence, croyant que le temps était arrivé où il n'était plus nécessaire qu'un porteur de licence construise un moulin à moins que cette construction ne serve un besoin local, d'ordonner que, en vertu des dispositions des chapitres 54 et 56 des Statuts Révisés intitulés respectivement "Acte des terres fédérales," et "Acte concernant certaines terres publiques dans la Colombie-Britannique," et par et avec l'avis du Conseil privé de la Reine pour le Canada, que le règlement qui exige qu'un porteur de licence ait une scierie en exploitation sur sa coupe dans un certain délai, étant le par. (d) de l'article 2 des règlements approuvés par l'arrêté en conseil du 11 novembre 1881, ainsi que le par. (f) de l'article 2 de l'arrêté en conseil du 17 septembre 1889, chapitre 98 des Arrêtés en conseil refundus du Canada, soit et il est par le présent modifié de manière que toutes les licences accordées à l'avenir stipuleront que le porteur de la licence sera tenu de construire un moulin et commencer la manufacture du bois de service sur l'étendue comprise dans la licence, sous un an de la date où il sera notifié par l'officier compétent du ministère de l'Intérieur que le Ministre de l'Intérieur considère que cette mesure est nécessaire ou à propos dans l'intérêt public.

PRÉSENT :

SON EXCELLENCE LE GOUVERNEUR GÉNÉRAL EN CONSEIL.

CONSIDÉRANT que par le 4e article du chapitre 47 des Statuts Révisés, intitulé "Acte concernant la province du Manitoba," il est statué que "tous les terrains de la Couronne dans le Manitoba que l'on pourra démontrer, à la satisfaction du gouvernement fédéral, être des terrains marécageux, seront transférés à la province pour son propre usage et avantage,"—

En conséquence, il plaît à Son Excellence, par et avec l'avis du Conseil privé de la Reine pour le Canada, d'ordonner que les terrains mentionnés dans la liste ci-dessous s'élevant en tout à 36,479 acres, qui ont été choisis par MM. Wagner et Crawford, commissaires nommés dans le but de faire un choix des terrains marécageux dans le Manitoba en vertu des dispositions du susdit acte, pendant la saison de 1888, et qui ont été trouvés vacants, soient et ils sont par le présent attribués à Sa Majesté pour les fins de la province du Manitoba.

Il plaît aussi à Son Excellence d'ordonner, par et avec l'avis du Conseil privé de la Reine pour le Canada, que l'arrêté en conseil du 16e jour de juillet 1889, qui transférait certains terrains marécageux à la province du Manitoba, soit et il est par le présent annulé.

HOTEL DU GOUVERNEMENT A OTTAWA.

Lundi, le 4e jour de janvier 1892.

PRÉSENT :

SON EXCELLENCE LE GOUVERNEUR GÉNÉRAL EN CONSEIL.

DANS le but de mieux protéger le poisson dans la province de Manitoba et dans les Territoires du Nord-Ouest, il plaît à Son Excellence, en vertu de l'autorité qui lui est conférée par "l'Acte des pêcheries," chapitre 95 des Statuts Révisés, et par et avec l'avis du Conseil privé de la Reine pour le Canada, d'ordonner que les Règlements de pêche pour la province du Manitoba et les Territoires du Nord-Ouest, établis par l'arrêté en conseil du 18 juillet 1889, chapitre 74 des Arrêtés en conseil refondus du Canada, et l'arrêté en conseil du 18 mars 1890, soient et ils sont par le présent rescindés, et remplacés par les suivants :

RÈGLEMENTS CONCERNANT LA PÊCHE DANS LE MANITOBA ET LES TERRITOIRES DU NORD-OUEST.

1. Il y aura deux sorte de licences pour pêcher dans la province du Manitoba et les Territoires du Nord-Ouest, désignées respectivement "Licences commerciales" et "Licences domestiques." Ces licences ne seront accordées qu'à des sujets britanniques résidents, et qui seront les propriétaires réels des engins de pêche désignés dans la licence.

2. Toute compagnie, société, commerçant ou personne faisant la pêche pour le commerce et le trafic dans cette partie du lac Winnipeg ci-après spécifiée, aura une "licence commerciale," et le requérant pour cette licence devra, dans sa demande, mentionner le nombre de remorqueurs ou autres bateaux qui seront employés sous cette licence, ainsi que la longueur, la grandeur et la description des rets qui seront employés, et que cette licence est demandée dans le but de pêcher dans le lac Winnipeg seulement, et en dehors des limites réservées, telles que démontrées sur la carte des-

criptive du lac Winnipeg qui accompagnait le Rapport annuel des pêcheries de 1890.

3. Nul remorqueur de pêche ne pêchera avec plus de 10,000 verges de rets à mailler, et nul bateau à voile ou de commerce ne pêchera avec plus de 3,000 verges de rets à mailler, et tous rets à mailler ainsi employés auront des mailles de pas moins de cinq (5) pouces d'extension.

4. L'honoraire payable pour une "licence commerciale" pour pêcher avec des rets à mailler sera de \$20 pour chaque remorqueur de pêche compris dans la licence, et en outre un honoraire de \$2 pour chaque 1,000 verges de rets comprises dans la licence ; et pour chaque bateau à voile, de commerce ou autre compris dans une "licence commerciale," un honoraire de \$10 sera payé, qui comprendra une limite de 3,000 verges de rets pour chaque bateau ; mais dans aucun cas il ne sera accordé de "licence commerciale" à une seule et même compagnie, société, commerçant ou personne pour l'emploi de plus que 40,000 verges de rets en tout, et nulle compagnie, société, commerçant ou personne n'aura ou ne sera intéressé dans plus d'une "licence commerciale."

5. Afin d'empêcher la grande destruction du poisson, dans bien des cas impropre au marché, ou imman-geable, causée en le prenant dans les rets à mailler pendant le mauvais temps, il ne sera pas accordé de "licences commerciales" pour pêcher avec des rets à mailler dans le lac Winnipeg après la saison de 1893.

6. Chaque cultivateur, colon ou pêcheur de bonne foi, Sauvage ou Métis, qui est domicilié dans l'endroit où il se propose de pêcher, aura droit d'obtenir une "licence domestique." Le porteur d'une "licence domestique" (sauf dans le cas d'une licence pour pêcher à la seine) aura droit de pêcher avec pas plus de 300 verges de rets. Un honoraire de \$2 sera payé pour chaque "licence domestique."

Les requérants pour une "licence domestique" décriront dans leurs demandes l'endroit, et les rets ou autre appareil qu'ils désirent comprendre dans la licence et aussi l'espèce de poisson qu'ils désirent être autorisés de prendre.

Les rets pour prendre le poisson blanc, la truite, la tullibie, ou les rets employés sur les bancs ordinairement fréquentés par ces poissons, auront des mailles de pas moins de 5 pouces d'extension ; pourvu que lorsque ces requérants demandent une licence pour pêcher d'autre poisson que celui ci-dessus mentionné dans un endroit non fréquenté par le poisson blanc, la tullibie ou la truite, alors les mailles pourront être de pas moins de 4 pouces d'extension.

Une "licence domestique" pourra être accordée pour aucune des eaux du Manitoba et les Territoires du Nord-Ouest ; pourvu, toutefois, qu'aucune description quelconque de rets ou autre appareil de pêche ne sera employée sous une licence "domestique" ou autre dans un rayon d'un mille de l'embouchure ou de la décharge de toute rivière ou cours d'eau qui se jette dans aucun des lacs du Manitoba ou des Territoires du Nord-Ouest ou en sort.

7. Le porteur d'une "licence domestique" pour pêcher l'esturgeon avec des rets aura droit d'employer pas plus de 300 verges de rets à mailler, avec des mailles de pas moins de 12 pouces d'extension.

Un honoraire de \$2 sera payé pour toute telle licence.

8. Le porteur d'une "licence domestique" pour pêcher à la seine aura droit d'employer une seine n'excédant pas 66 verges de longueur, avec des mailles de pas moins de 4 pouces d'extension.

Un honoraire de \$25 sera payé pour toute telle licence.

9. Il ne sera émis aucune licence "commerciale" ou "domestique" tant que les honoraires voulus n'auront pas été payés ; ces honoraires sont payables strictement d'avance.

10. La pêche au moyen de rets ou autres appareils, sans baux ou licences, est défendue dans les eaux du Manitoba et des Territoires du Nord-Ouest.

11. Ci-suivent les saisons réservées pendant lesquelles il est défendu à qui que ce soit de pêcher, prendre, tuer, acheter, vendre ou avoir en sa possession les diverses espèces de poissons y mentionnées :—

(1.) Le poisson blanc, la truite saumonée ou truite des lacs, et la tullibie : entre le 5 d'octobre et le 15 de

décembre de chaque année, ces deux jours inclusivement ;

(2.) Le doré, l'œil-d'or, le brochet, le mullet et le maskinongé : entre le 15 avril et le 15 mai, ces deux jours inclusivement ;

(3.) La truite mouchetée de toutes sortes : entre le 15 septembre et le 1er mai, ces deux jours inclusivement ;

(4.) L'esturgeon : entre le 15 mai et le 15 de juillet de chaque année, ces deux jours inclusivement.

12. Les seines, filets ou autres engins employés pour prendre le poisson devront être relevés ou disposés de manière à laisser librement circuler le poisson, ou à lui permettre de les traverser ou d'en sortir, depuis six heures chaque samedi soir jusqu'à six heures chaque lundi matin suivant ; et durant cet intervalle il ne sera permis à personne de prendre du poisson d'aucune manière, et s'il en est pris ou tué, il sera confisqué, ainsi que les seines ou autres engins employés.

13. Toutes les licences seront émises annuellement et resteront en vigueur pendant les périodes ci-après mentionnées, sujettes toutefois aux lois et règlements qui pourront de temps à autre être en vigueur concernant les saisons réservées, savoir :—“ Les licences commerciales ” du 1er mai au 4 octobre suivant, ces deux jours inclusivement ; les “ licences domestiques ” du 15 décembre au 4 octobre suivant, ces deux jours inclusivement.

14. Personne ne fera usage de filets en forme de sac ou de piège, ou de parc ou d'enclos pour prendre du poisson dans les eaux du Manitoba ou des Territoires du Nord-Ouest, sauf aux conditions suivantes :—

Le porteur d'une “ licence commerciale ” émise dans ce but, pourra faire la pêche avec un rets à enclos après la saison de 1893, dans les limites prescrites pour la pêche sous “ licence commerciale ” dans le lac Winnipeg seulement :

Pourvu que nulle compagnie, société, commerçant, ou personne n'emploiera ou ne sera licencié à employer plus de quatre rets à enclos ; et pourvu aussi que nulle compagnie, société, commerçant ou personne ne pourra porter des licences pour l'usage de rets à mailles et de rets à enclos en même temps.

Les mailles des rets à enclos ou à piège auront au moins quatre pouces et demi d'extension dans les “ pots, ” “ parcs, ” “ cœurs ” et “ tunels, ” et au moins sept pouces dans la “ barre ” ou “ conduit, ”—les parcs ou enclos à double entrée sont par le présent défendus.

L'honoraire payable sur une “ licence commerciale ” pour pêcher avec rets à enclos sera de \$50 pour chaque rets à enclos compris dans la licence, avec 10 centins en sus pour chaque brasse de longueur du conduit à ce rets.

15. On ne jettera ni ne laissera passer ou séjourner de chaux, de substances chimiques, de drogues, de matières vénéneuses, de poisson mort ou gâté, de débris de poisson, de la sciure de bois et des déchets de scieries, ou autres substances délétères, dans les eaux fréquentées par le poisson au Manitoba et les Territoires du Nord-Ouest ; quiconque enfreindra ce règlement encourra une amende n'excédant pas cent piastres.

16. Les présents règlements s'appliqueront aux Sauvages et Métis aussi bien qu'aux colons et toutes autres personnes ; pourvu toujours que le ministre de la Marine et des Pêcheries pourra de temps à autre mettre à part et réserver pour l'usage exclusif des Sauvages les eaux qu'il jugera nécessaire, et pourra accorder aux Sauvages ou à leurs bandes, des licences gratuites de pêcher pendant les saisons réservées, pour eux-mêmes ou leurs bandes, dans le but de se procurer de la nourriture, mais non dans un but de vente, troc ou trafic.

17. Il est défendu de faire usage de matières explosives d'une nature quelconque pour prendre ou tuer le poisson dans les eaux du Manitoba et des Territoires du Nord-Ouest ; et l'usage de dards, d'hameçons-grappins, nigognes, nishagans et d'armes à feu pour tuer le poisson est aussi défendu ;

Pourvu toutefois que des licences spéciales pourront être accordées aux Sauvages ou bandes de Sauvages leur permettant de prendre et tuer du poisson en la manière prescrite dans telle licence à la seule fin de se procurer de la nourriture pour eux-mêmes ou leurs bandes.

18. Nul commerçant, colporteur, regrattier ou autre personne que ce soit n'achètera, trafiquera ou autrement obtiendra ou aura en sa possession du poisson d'aucune espèce, pris ou tué par des Sauvages, Métis ou autre personne quelconque sur une réserve des Sauvages, ou ailleurs, pendant les saisons réservées par la loi, et pendant lesquelles les Sauvages sont autorisés par licences ou autrement à prendre du poisson dans le seul but de se procurer de la nourriture pour eux-mêmes ou leurs bandes.

19. Pour le renseignement des personnes qui obtiendront des licences en vertu des présents règlements, ces règlements seront imprimés sur chaque licence.

20. Le ministre de la Marine et des Pêcheries ayant décidé que la chose était nécessaire dans l'intérêt du public, toute digue, glissoire ou autre obstacle fait ou à faire sur ou en travers d'une rivière ou cours d'eau dans le Manitoba et les Territoires du Nord-Ouest, sera muni de la passe-migratoire nécessaire prescrite par l'article 13 de l'Acte des pêcheries ; et nul filet ou autre engin ne sera employé pour prendre ou tuer le poisson, ou l'empêcher de descendre ou remonter une rivière ou un cours d'eau, dans un rayon de 200 verges de toute telle digue, glissoire, écluse ou passe-migratoire, ni dans aucune autre partie de ces rivières et cours d'eau, sans laisser au moins la moitié du chenal principal parfaitement libre de l'opération de tout tel rets ou autre engin comme susdit.

21. Les présents règlements remplaceront tous règlements antérieurs faits en vertu de l'Acte des pêcheries qui concernent les pêches dans les eaux du Manitoba et les Territoires du Nord-Ouest du Canada, et les dits règlements antérieurs sont par le présent abrogés.

22. Toutes matières, instruments ou appareils employés, et tout poisson pris ou tué en contravention des présents règlements seront saisis et confisqués, et toute personne contrevenant aux présents règlements encourra les peines édictées par l'Acte des pêcheries.

INSTRUCTION MILITAIRE DE 1891.

Les remarques qui suivent, du major général commandant, sur les résultats de l'instruction militaire de 1891, sont publiées pour l'information des personnes intéressées.

I.—EXERCICE DES BATAILLONS URBAINS.

Plusieurs corps ont atteint un certain degré de précision dans les mouvements de bataillon. Il est probable, cependant, qu'en général les exercices des compagnies, individuellement, comme compagnie ou comme escouade, ont été négligés. Ceci devient évident lorsque les compagnies prennent part à des évolutions en masses serrées, mais cela est encore plus évident lorsqu'elles sont appelées à faire des mouvements d'extension et des manœuvres de tactique. C'est alors que la compagnie, comme unité de tactique laisse à désirer, et c'est encore moins bien lorsqu'elle agit par subdivisions et par sections.

Les officiers commandants aussi n'apprécient pas l'importance des demi-bataillons et leur utilité dans les manœuvres. La section 15, paragraphe 8, exercices d'infanterie, "attaque, bataillon," démontre jusqu'à quel degré de perfection les majors doivent exercer ces sous-divisions de bataillon, dirigées par l'officier commandant.

Les officiers commandants sont portés à donner trop d'attention à quelques-unes des évolutions d'éclat contenus dans le manuel des exercices et dont la tactique est de peu d'importance.

Considérant le peu de temps à la disposition des bataillons, pour leurs exercices, l'instruction devrait être limitée aux sections indiquées dans l'Ordre Général (13), du 17 juillet 1891, et aux diverses combinaisons qui peuvent en résulter.

Les évolutions moins difficiles et plus nécessaires, lorsqu'elles apportent l'exactitude dans la direction, avec la rapidité dans les mouvements, (jusqu'à se dispenser des points de formation) donnent plus de connaissance des exercices que ne le fait l'exécution de mouvements compliqués contenus dans le manuel.

Les marches par les rues absorbent beaucoup de temps des corps urbains. Il appert que peu d'instruction résulte de ces marches. Généralement elles se font en rang de quatre, sans exécuter les variations de formations possibles dans les marches.

Il y a peu d'endroits où quelques-uns des principes établis pour les marches de routes (Exercice d'Infanterie, paragraphes 5, 2) ne peuvent pas être mis en pratique. La formation de la colonne de route en colonne de sections, et subdivisions, et parfois même en colonne de compagnie, ou encore en plus larges formations, est désirable.

L'emploi d'avant-gardes et d'arrière-gardes contribuerait davantage à l'instruction militaire, et apporterait plus d'intérêt à ces marches.

Le nombre des membres des compagnies étant faible, l'officier commandant a un désavantage dans l'instruction qu'il donne. Il est impossible de bien faire les exercices avec ces compagnies incomplètes et qui ne représentent pas cette unité de tactique; donc pour les exercices, les compagnies administratives doivent être réunies, tel que prescrit par la section 1, paragraphe 8, Exercices d'infanterie (bataillon), afin de former des unités de tactique.

II.—CORPS RECEVANT L'INSTRUCTION AUX CAMPS.

(1.) Assemblée des Corps.

Les occupations des soldats, à la saison où ont eu lieu les camps, cette année, ont empêché un grand nombre de prendre part aux exercices. Néanmoins, un avis avait été donné dans les Ordres Généraux beaucoup plus à l'avance que de coutume. Si donc les officiers commandants avaient considéré ces Ordres Généraux comme ordre final, et avaient agi en conséquence, plusieurs soldats se seraient présentés pour ces exercices, et qui cependant ne l'ont pas fait.

L'Ordre Général (16) du 21 août 1891, donnait instruction aux Quartiers-Maîtres d'être présents au camp une journée avant l'arrivée de leurs corps, la paye et les allocations étant autorisées pour cette fin. Dans plusieurs cas l'on a pas agi sur cet ordre. Le confort des soldats dépend en partie de l'action du Quartier-

Maître, à l'ouverture du camp. Si, à l'avenir, les ordres en question ne sont pas suivis, cette indifférence indiquera un défaut d'attention à l'égard des soldats, et la chose sera examinée par qui de droit.

(2.) *Personnel des corps.*

Le pourcentage des recrues dans les corps ruraux a atteint un haut chiffre; ceci est inévitable pour ces corps. Le physique des soldats en général était bon. Dans le 31^{me} bataillon (Grey), le physique était splendide; la même remarque peut être appliquée aux corps de cavalerie. Dans plusieurs corps, entre autres le 20^{me}, 30^{me}, 33^{me}, 42^{me}, 50^{me}, 68^{me} et 75^{me}, le physique était comparativement bon, tandis que dans d'autres corps; figurait un mélange de garçons n'ayant pas l'âge voulu, d'hommes âgés et autres physiquement incapables. Ces gens avaient été amenés presque invariablement pour compléter le nombre de soldats autorisés par compagnie, sans considérer le tort causé au corps, et les dépenses inutiles occasionnées au gouvernement.

(3.) *Chevaux.*

Les chevaux de la cavalerie étaient, en général, d'une classe inférieure et ne pouvaient être acceptés comme les meilleurs que les soldats auraient pu amener. Dans plusieurs cas les chevaux étaient évidemment loués à un prix minime, pour ainsi gagner l'allocation d'une piastre accordée par le gouvernement; la valeur intrinsèque de ces chevaux était peu de chose. Le premier devoir des officiers-commandants des troupes et régiments, est de refuser de tels chevaux. Cependant, il faut dire que plusieurs sous-officiers et troupiers avaient des chevaux de véritable valeur.

(4.) *Exercices.*

Les résultats obtenus par le système d'exercices basé sur les principes adoptés cette année, ont été généralement satisfaisants. Ceci est dû au zèle déployé par tous les grades, durant la courte période allouée aux exercices. Les meilleurs résultats furent obtenus par les camps des districts 7, 8 et 9, ou pas un soldat n'a dû être retiré de la compagnie pour devoir de gardes. L'habitude de choisir les gardes entièrement parmi les recrues qui n'ont pas les connaissances préliminaires des exercices, est non-seulement inutile, mais devient nuisible. Les avantages d'un cours militaire dans les écoles d'instruction, se font voir chez les officiers et sous-officiers. Les bons effets des exercices militaires dans les écoles publiques sont également remarquables. Plusieurs jeunes garçons du "High School," de Stratford, Ontario, se sont distingués sous ce rapport.

D'excellents résultats ont été obtenus de l'instruction des troupes et régiments de cavalerie; l'on ne saurait dire la même chose des exercices d'infanterie. Les mouvements de régiment sont indiqués dans les Ordres Généraux, mais certains officiers-commandants ont manqué de se rendre ces mouvements suffisamment familiers pour pouvoir instruire leurs hommes. Pour l'instruction et l'efficacité générale, "King's Troop" de Kentville, N.-E., occupe sans conteste le premier rang; quant au physique et à l'apparence, le 3^e dragons "Prince of Wales" mérite une mention spéciale.

Avec l'intelligence et le zèle généralement manifestés, il y a lieu de croire que la cavalerie peut devenir une force des plus utiles. Pour le présent, elle lutte contre des désavantages plus sérieux que ceux des autres armes.

Les batteries d'artillerie de campagne sont généralement supérieures sous le rapport de l'efficacité à toute autre arme. La batterie de Durham s'est spécialement attiré des éloges.

Les facultés d'instruction varient beaucoup dans les corps d'infanterie; au camp du 5^e district militaire certains officiers sont restés au bas de l'échelle. Les bataillons concentrés à cet endroit avaient cependant l'avantage exceptionnel de posséder un sergent instructeur tout-à-fait capable, de la compagnie "B," école d'infanterie.

Le bataillon le plus au courant des exercices a été le 75^e; le 42^e bataillon, inspecté dans les premiers jours du camp, mérite d'être spécialement mentionné.

La compagnie la plus au courant des exercices est celle du capitaine Howe, No. 3, 71^e bataillon "York." Cet officier possède à un très haut degré la faculté d'instruction; il a dû en faire une étude attentive.

Entretien des armes.

Les armes de la milice rurale sont vieilles et nullement sûres; de plus le manque d'entretien est évident.

Deux exceptions remarquables méritent d'être mentionnées, notamment, le 8^e Hussards "Princess Louise", où le système régimentaire prévaut; et la compagnie No. 8, capitaine Perkins, du 67^e bataillon, lesquels ont donné beaucoup d'attention à l'entretien des armes, des habillements et accoutrements. Sous ce rapport ils laissent peu à désirer.

(6.) *Enrôlement.*

On remarque de nombreuses irrégularités dans l'enrôlement. Les officiers commandants et les commandants des camps devront voir avec toute la vigilance possible, à ce que ces irrégularités disparaissent. L'enrôlement de soldats appartenant à d'autres corps d'où ils n'ont pas été déchargés, et les réclamations de soldats ayant fait les exercices avec d'autres corps, constituent des offenses qui tombent sous le coup de la section 94 de l'Acte de la Milice.

(7.) *Etat-major.*

On ne saurait attacher trop d'importance à l'accomplissement des devoirs de l'état-major. Aux camps de la milice rurale tout officier d'état-major, à partir du major général commandant, doit se rappeler qu'avant tout il est instructeur dans les devoirs dont il est particulièrement chargé. Il n'est pas suffisant pour les officiers d'état-major de donner des ordres; ils doivent s'assurer que ces ordres sont suivis, et voir aux moyens de les faire exécuter. Les ordres étaient en général trop nombreux et trop longs. La meilleure règle à suivre est de faire les ordres aussi clairs, courts et pratiques qu'il est possible.

La santé et le confort des troupes dépendent du département du quartier-maître, et cet officier doit être doué d'une énergie capable de stimuler les quartiers-maîtres régimentaires dans l'exécution parfaite de leurs devoirs.

(8.) *Conclusion.*

La milice doit des remerciements aux autorités municipales, lesquelles ont fait tout en leur pouvoir pour le confort des troupes.

Des remerciements sont dus aussi à l'association "Women's Christian Temperance Union," et aux diverses sections des "Young Men's Christian Association," pour les rafraîchissements gratuits donnés aux soldats et pour les amusements qui leur ont été procurés.

Les autorités de l'hôpital général de Belleville doivent être spécialement remerciées pour leur aide à l'occasion d'un accident sérieux; ainsi que les Sœurs de Charité de Rimouski, qui ont reçu dans leur hôpital les malades du camp du district No 7, et leur ont prodigué les soins nécessaires.

DEMANDES AU PARLEMENT.

RÈGLES RELATIVES AUX AVIS DE BILLS PRIVÉS.

Dans le cas de toute demande de bill privé, proprement du ressort législatif du Parlement du Canada suivant les dispositions de l'Acte de l'Amérique Britannique du Nord, 1867, et ayant pour objet, soit la construction d'un pont, d'un chemin de fer, d'un chemin à barrières ou d'une ligne télégraphique ; soit la construction ou l'amélioration d'un port, d'un canal, d'une écluse, d'une digue ou d'une glissoire ou autre ouvrage semblable ; soit la concession d'un droit de passage d'eau, l'incorporation de professions ou métiers, ou d'une compagnie de banque ou autre compagnie par actions, soit la concession à une ou plusieurs personnes de certains droits ou privilèges exclusifs ou particuliers, soit le pouvoir de faire quelque chose qui, dans ses effets, pourrait toucher aux droits ou à la propriété d'autrui, ou concerner une classe particulière de la société ; ou ayant pour objet quelque amendement de même nature à un acte antérieur,—un avis, énonçant d'une manière claire et intelligible la nature et l'objet de la demande, et signé (excepté s'il s'agit de corporations déjà existantes) par les pétitionnaires ou de leur part, est nécessaire et doit être publié comme il suit :—

Dans les provinces de Québec et du Manitoba.

Un avis doit être inséré dans la *Gazette du Canada* en anglais et en français, ainsi que dans un journal anglais et un journal français du district intéressé, ou en anglais et en français dans le même journal, s'il ne s'en publie qu'un seul dans ce district ; ou s'il n'y paraît pas de journal, alors la publication de l'avis en anglais et en français doit se faire dans un journal du district le plus voisin où il s'en publie.

Dans les autres provinces ou territoires.

Un avis doit être inséré dans la *Gazette du Canada*, et dans un journal du comté, du district ou des comtés-unis intéressés, ou s'il n'y paraît pas de journal alors la

publication doit se faire dans un journal du comté ou district le plus voisin où il s'en publie.

La publication de ces avis durera, dans chaque cas, la période de deux mois pendant l'intervalle de temps qui s'écoulera entre la clôture de la session précédente et la prise en considération de la pétition. Un exemplaire des numéros des journaux, reproduisant la première et la dernière insertion de l'avis, devra être transmis au greffier de chaque Chambre.

Si la pétition demande l'autorisation de présenter un bill privé ayant pour objet la construction d'un pont de péage, le pétitionnaire ou les pétitionnaires devront, en même temps qu'ils donneront l'avis prescrit par la règle précédente, donner aussi, de la même manière, avis des péages qu'ils entendent exiger, de l'étendue du privilège, de la hauteur des arches, de l'espace à laisser libre entre les culées ou les piliers pour le passage des radeaux et des navires ; et mentionner de plus s'ils se proposent de construire un pont mobile, et quelles en seront les dimensions.

Toute personne désirant obtenir un bill privé devra, dans les huit jours qui précéderont l'ouverture du parlement, déposer au bureau du greffier de la Chambre dans laquelle le bill doit prendre naissance, une copie de ce bill en langue anglaise ou en langue française, avec une somme suffisante pour en payer la traduction et l'impression. Il en sera imprimé 600 exemplaires en anglais et 200 en français ; la traduction devra être faite par les officiers de la Chambre, et l'impression par l'entrepreneur des impressions. Le pétitionnaire aura aussi à payer au greffier du Sénat, ou au comptable de la Chambre des Communes (selon le cas) une somme de \$200, plus le coût de l'impression de l'acte dans les Statuts, et remettra le reçu de ce paiement au greffier du comité auquel ce bill aura été renvoyé—le dit paiement sera effectué immédiatement après la seconde lecture avant la prise en considération du bill par le comité.

L'honoraire payable sur tout bill privé, ne sera payé que dans la Chambre où il a pris naissance.

Aucune pétition pour l'obtention d'un bill privé ne sera reçue par l'une ou par l'autre Chambre après les dix premiers jours de la session.

51a. Tous les bills privés pour chartes ou pour modification de chartes de compagnies de chemins de fer seront rédigés conformément au bill-modèle adopté par la Chambre, le 23 juin 1887, dont copie peut être obtenue du greffier de la Chambre ;

(c.) Toutes dispositions exceptionnelles que l'on proposera d'insérer dans un bill quelconque, seront imprimées dans l'avis publié.

51b. Nul bill pour la constitution légale d'une compagnie de chemin de fer ou pour changer le tracé du chemin de fer d'une compagnie déjà constituée ne sera pris en considération par le comité des chemins de fer

à moins qu'il n'ait été donné au comité, au moins une semaine avant la prise en considération du bill—

(a.) Une carte ou plan à l'échelle de pas moins d'un demi-pouce au mille, indiquant le territoire sur lequel l'on se propose de construire les travaux projetés, ainsi que les lignes de travaux analogues existants ou autorisés, dans les limites du district, ou partie du district que la ligne projetée doit desservir, ou affectant le dit district en aucune manière; cette carte ou plan devra être signé par l'ingénieur ou toute autre personne qui l'aura fait;

(b.) Un exhibit faisant connaître le montant total du capital que l'on se propose de prélever pour les fins de l'entreprise, et la manière dont on se propose de le prélever, soit au moyen d'actions ordinaires, obligations, débiteures ou autres garanties, et le montant respectif de chacune.

JOHN GEORGE BOURINOT,
Greffier des Communes.

SUBSTANCE DES RÈGLES ET FORMES DE PROCÉDER DU
SÉNAT CONCERNANT LES BILLS DE DIVORCE.

L'époux qui a l'intention de demander un bill de divorce doit faire connaître cette intention, ainsi que les noms de l'autre époux et la cause du divorce, par avis inséré, durant trois mois, entre l'expiration de la dernière session parlementaire avant l'avis et la présentation de sa pétition pour obtenir le bill, dans la *Gazette du Canada* et dans deux journaux du district où il avait sa résidence habituelle à l'époque de séparation d'avec son conjoint, s'il résidait alors dans la province de Québec, le Manitoba, la Colombie-Britannique ou les Territoires du Nord-Ouest,—ou du comté ou des comtés-unis, s'il résidait dans une autre province; mais si ce nombre de journaux ne s'y trouve pas, l'avis sera publié dans le district, le comté ou les comtés-unis voisins. Dans les provinces de Québec et de Manitoba, les insertions seront faites dans un journal anglais et un journal français, s'il en existe des deux langues dans le district; autrement, elles se feront en anglais et en français au même journal.

Il doit être signifié, à la diligence de l'époux pétitionnaire, un mois au moins avant la présentation de la pétition, une copie de cet avis à l'autre époux en personne, si cela est possible.

Aucune pétition en divorce n'est reçue après l'expiration des trente premiers jours de la session.

Toute pétition en divorce devra être écrite lisible et porter la signature du pétitionnaire. Elle énoncera sommairement le fait du mariage, le lieu et l'époque de sa célébration, les noms du célébrant, les griefs qui donnent lieu à la demande de redressement et la nature du redressement demandé, et en outre contiendra assurance qu'il n'y a pas eu réconciliation, collusion ni connivence. Les allégations de la pétition seront appuyées de la déclaration du pétitionnaire, faite en vertu de "l'Acte concernant les serments judiciaires."

Huit jours avant l'ouverture du Parlement, le pétitionnaire déposera au bureau du greffier du Sénat, une copie en langue anglaise ou française du bill de divorce qui doit être présenté, et en même temps une somme suffisante pour payer la traduction et l'impression et tirage à 600 exemplaires anglais et 200 exemplaires français de ce bill.

AT THE GOVERNMENT HOUSE AT OTTAWA.

Saturday, the 23rd day of January, 1892.

PRESENT :

HIS EXCELLENCY THE GOVERNOR GENERAL IN COUNCIL.

HIS Excellency, under the authority conferred upon him by section 21 of chapter 72 of the Revised Statutes of Canada, has been pleased to grant permission to change the name of the steamship "Thorn Holme" to "Louisburg."

JOHN J. McGEE,
Clerk, Privy Council.

32-4

AT THE GOVERNMENT HOUSE AT OTTAWA.

Wednesday, the 20th day of January, 1892.

PRESENT :

HIS EXCELLENCY THE GOVERNOR GENERAL IN COUNCIL.

WHEREAS the Regulations governing the granting of yearly licenses to cut timber on Dominion lands established by the Order in Council of the 11th November, 1881, as well as by the Order in Council of the 17th day of September, 1889, chapter 98 of the Consolidated Orders in Council of Canada, provide that the licensee shall have in operation within one year from a date to be fixed in the license, and keep in operation for at least six months of each year of his holding, a saw-mill in connection with his berth capable of cutting daily at least one thousand feet board measure of lumber for every two and a-half square miles of the area licensed ;

And whereas this provision was enacted in order to encourage by every means the establishment of mills for the convenience of settlers who were removed from railways and other means of supplying themselves with lumber, and at a time when timber berths were granted without competition, and the result has been the establishment of a very considerable number of mills, and every facility is now afforded for the purchase of manufactured lumber in almost every settlement in Manitoba, the North West Territories, and within the Railway Belt in British Columbia,—

Therefore His Excellency, being of the opinion that the time has now arrived when a licensee should not be called upon to construct a mill unless the establishment thereof would supply a local need, is pleased to order, under the provisions of chapters 54 and 56 of the Revised Statutes intitled respectively "The Dominion Lands Act," and "An Act respecting certain Public Lands in British Columbia," and by and with the advice of the Queen's Privy Council for Canada, that the Regulation which requires a licensee to have a saw-mill in operation upon his berth within a certain time, being subsection (d) of section 2 of the Regulations approved by the Order in Council of the 11th November, 1881, as well as subsection (f) of section 2 of the Order in Council of the 17th September, 1889, chapter 98 of the Consolidated Orders in Council of Canada, shall be and the same is hereby amended so that in respect of all licenses hereafter granted, the licensee shall be required to construct a mill and commence the manufacture of lumber from the timber on the tract covered by his license, within one year from the date when he is notified by the proper officer of the Department of the Interior that the Minister of the Interior regards such a step necessary or expedient in the public interest.

JOHN J. McGEE,
Clerk, Privy Council.

32-4

AT THE GOVERNMENT HOUSE AT OTTAWA.

Monday, the 11th day of January, 1892.

PRESENT :

Oils intended solely for use as lubricants and unfit, owing to the properties thereof, for illuminating purposes, are hereafter to be exempt from the provisions of the Petroleum Inspection Act as regards inspection.

Provided the packages containing such oils have conspicuously marked or branded thereon the word "non-illuminating," otherwise the exemption herein provided shall not apply.

JOHN J. McGEE,
Clerk, Privy Council.

HOTEL DU GOUVERNEMENT À OTTAWA.

Lundi, le 11e jour de janvier 1892.

PRÉSENT :

SON EXCELLENCE LE GOUVERNEUR GÉNÉRAL EN CONSEIL.

Il plaît à Son Excellence, en vertu des pouvoirs qui lui sont conférés par l'acte 54-55 Victoria, chapitre 49, et par et avec l'avis du Conseil privé de la Reine pour le Canada, d'établir les règlements suivants concernant les huiles impropres aux fins d'éclairage :—

Les huiles destinées à être employées exclusivement comme huiles lubrifiantes, et impropres comme telles aux fins d'éclairage, seront à l'avenir exemptées des dispositions de l'Acte d'inspection du pétrole qui concernent l'inspection.

Pourvu que les colis qui contiennent ces huiles soient distinctement marqués ou étampés des mots "non-illuminating," autrement l'exemption établie par le présent ne s'appliquera pas.

30-4 JOHN J. McGEE,
Greffier du Conseil privé.

HOTEL DU GOUVERNEMENT À OTTAWA.

Mercredi, le 20e jour de janvier 1892.

PRÉSENT :

SON EXCELLENCE LE GOUVERNEUR GÉNÉRAL EN CONSEIL.

CONSIDÉRANT que les règlements qui gouvernent l'octroi de licences annuelles pour couper du bois sur les terres fédérales établis par l'arrêté en conseil du 11 novembre 1881, ainsi que par l'arrêté en conseil du 17 septembre 1889, chapitre 98 des Arrêtés en conseil refondus du Canada, décrètent que le porteur de la licence devra exploiter dans une année de la date déterminée dans la licence, et poursuivre l'exploitation pendant une période d'au moins six mois chaque année, tant qu'il sera porteur de cette licence, et pour le service de son fond de bois, une scierie pouvant couper en vingt-quatre heures, au moins mille pieds de bois,

mesure de planche, pour chaque deux milles et demi en superficie de la coupe ;

Et considérant que cette disposition a été établie afin d'encourager par tous les moyens possibles la construction de moulins pour la commodité des colons qui seraient éloignés des chemins de fer et autres moyens de se procurer du bois de construction, alors que les coupes de bois étaient accordées sans concurrence, qu'il en est résulté la construction d'un nombre très considérable de moulins et que presque chaque établissement dans le Manitoba, dans les Territoires du Nord-Ouest, et dans la zone du chemin de fer dans la Colombie-Britannique possède d'amples facilités pour acheter le bois fabriqué,—

En conséquence, il plaît à Son Excellence, croyant que le temps était arrivé où il n'était plus nécessaire qu'un porteur de licence construise un moulin à moins que cette construction ne serve un besoin local, d'ordonner, en vertu des dispositions des chapitres 54 et 56 des Statuts Révisés intitulés respectivement "Acte des terres fédérales," et "Acte concernant certaines terres publiques dans la Colombie-Britannique," et par et avec l'avis du Conseil privé de la Reine pour le Canada, que le règlement qui exige qu'un porteur de licence ait une scierie en exploitation sur sa coupe dans un certain délai, étant le par. (d) de l'article 2 des règlements approuvés par l'arrêté en conseil du 11 novembre 1881, ainsi que le par. (f) de l'article 2 de l'arrêté en conseil du 17 septembre 1889, chapitre 98 des Arrêtés en conseil refondus du Canada, soit et il est par le présent modifié de manière que toutes les licences accordées à l'avenir stipuleront que le porteur de la licence sera tenu de construire un moulin et commencer la manufacture du bois de service sur l'étendue comprise dans la licence, sous un an de la date où il sera notifié par l'officier compétent du ministère de l'Intérieur que le Ministre de l'Intérieur considère que cette mesure est nécessaire ou à propos dans l'intérêt public.

JOHN J. MCGEE,
Greffier du Conseil privé.

DEMANDES AU PARLEMENT.

RÈGLES RELATIVES AUX AVIS DE BILLS PRIVÉS.

Dans le cas de toute demande de bill privé, proprement du ressort législatif du Parlement du Canada suivant les dispositions de l'Acte de l'Amérique Britannique du Nord, 1867, et ayant pour objet, soit la construction d'un pont, d'un chemin de fer, d'un chemin à barrières ou d'une ligne télégraphique ; soit la construction ou l'amélioration d'un port, d'un canal, d'une écluse, d'une digue ou d'une glissoire ou autre ouvrage semblable ; soit la concession d'un droit de passage d'eau, l'incorporation de professions ou métiers, ou d'une compagnie de banque ou autre compagnie par actions, soit la concession à une ou plusieurs personnes de certains droits ou privilèges exclusifs ou particuliers, soit le pouvoir de faire quelque chose qui, dans ses effets, pourrait toucher aux droits ou à la propriété d'autrui, ou concerner une classe particulière de la société ; ou ayant pour objet quelque amendement de même nature à un acte antérieur,—un avis, énonçant d'une manière claire et intelligible la nature et l'objet de la demande, et signé (excepté s'il s'agit de corporations déjà existantes) par les pétitionnaires ou de leur part, est nécessaire et doit être publié comme il suit :—

Dans les provinces de Québec et du Manitoba.

Un avis doit être inséré dans la *Gazette du Canada* en anglais et en français, ainsi que dans un journal anglais et un journal français du district intéressé, ou en anglais et en français dans le même journal, s'il ne s'en publie qu'un seul dans ce district ; ou s'il n'y paraît pas de journal, alors la publication de l'avis en anglais et en français doit se faire dans un journal du district le plus voisin où il s'en publie.

Dans les autres provinces ou territoires.

Un avis doit être inséré dans la *Gazette du Canada*, et dans un journal du comté, du district ou des comtés-unis intéressés, ou s'il n'y paraît pas de journal alors la

publication doit se faire dans un journal du comté ou district le plus voisin où il s'en publie.

La publication de ces avis durera, dans chaque cas, la période de deux mois pendant l'intervalle de temps qui s'écoulera entre la clôture de la session précédente et la prise en considération de la pétition. Un exemplaire des numéros des journaux, reproduisant la première et la dernière insertion de l'avis, devra être transmis au greffier de chaque Chambre.

Si la pétition demande l'autorisation de présenter un bill privé ayant pour objet la construction d'un pont de péage, le pétitionnaire ou les pétitionnaires devront, en même temps qu'ils donneront l'avis prescrit par la règle précédente, donner aussi, de la même manière, avis des péages qu'ils entendent exiger, de l'étendue du privilège, de la hauteur des arches, de l'espace à laisser libre entre les culées ou les piliers pour le passage des radeaux et des navires ; et mentionner de plus s'ils se proposent de construire un pont mobile, et quelles en seront les dimensions.

Toute personne désirant obtenir un bill privé devra, dans les huit jours qui précéderont l'ouverture du parlement, déposer au bureau du greffier de la Chambre dans laquelle le bill doit prendre naissance, une copie de ce bill en langue anglaise ou en langue française, avec une somme suffisante pour en payer la traduction et l'impression. Il en sera imprimé 600 exemplaires en anglais et 200 en français ; la traduction devra être faite par les officiers de la Chambre, et l'impression par l'entrepreneur des impressions. Le pétitionnaire aura aussi à payer au greffier du Sénat, ou au comptable de la Chambre des Communes (selon le cas) une somme de \$200, plus le coût de l'impression de l'acte dans les Statuts, et remettra le reçu de ce paiement au greffier du comité auquel ce bill aura été renvoyé—le dit paiement sera effectué immédiatement après la seconde lecture avant la prise en considération du bill par le comité.

L'honoraire payable sur tout bill privé, ne sera payé que dans la Chambre où il a pris naissance.

Aucune pétition pour l'obtention d'un bill privé ne sera reçue par l'une ou par l'autre Chambre après les dix premiers jours de la session.

EDOUARD J. LANGEVIN,
Greffier du Sénat.
JOHN GEORGE BOURINOT,
Greffier des Communes.

51a. Tous les bills privés pour chartes ou pour modification de chartes de compagnies de chemins de fer seront rédigés conformément au bill-modèle adopté par la Chambre, le 23 juin 1887, dont copie peut être obtenue du greffier de la Chambre ;

(b.) Toutes clauses d'actes existants que l'on proposera de modifier, seront imprimées en entier, avec les amendements insérés en leur lieu et place, et entre crochets ;

(c.) Toutes dispositions exceptionnelles que l'on proposera d'insérer dans un bill quelconque, seront imprimées dans l'avis publié.

51b. Nul bill pour la constitution légale d'une compagnie de chemin de fer ou pour changer le tracé du chemin de fer d'une compagnie déjà constituée ne sera pris en considération par le comité des chemins de fer

à moins qu'il n'ait été donné au comité, au moins une semaine avant la prise en considération du bill—

(a.) Une carte ou plan à l'échelle de pas moins d'un demi-pouce au mille, indiquant le territoire sur lequel l'on se propose de construire les travaux projetés, ainsi que les lignes de travaux analogues existants ou autorisés, dans les limites du district, ou partie du district que la ligne projetée doit desservir, ou affectant le dit district en aucune manière ; cette carte ou plan devra être signé par l'ingénieur ou toute autre personne qui l'aura fait ;

(b.) Un exhibit faisant connaître le montant total du capital que l'on se propose de prélever pour les fins de l'entreprise, et la manière dont on se propose de le prélever, soit au moyen d'actions ordinaires, obligations, débiteures ou autres garanties, et le montant respectif de chacune.

SÉNAT CONCERNANT LES BILLS DE DIVORCE.

L'époux qui a l'intention de demander un bill de divorce doit faire connaître cette intention, ainsi que les noms de l'autre époux et la cause du divorce, par avis inséré, durant trois mois, entre l'expiration de la dernière session parlementaire avant l'avis et la présentation de sa pétition pour obtenir le bill, dans la *Gazette du Canada* et dans deux journaux du district où il avait sa résidence habituelle à l'époque de séparation d'avec son conjoint, s'il résidait alors dans la province de Québec, le Manitoba, la Colombie-Britannique ou les Territoires du Nord-Ouest,—ou du comté ou des comtés-unis, s'il résidait dans une autre province ; mais si ce nombre de journaux ne s'y trouve pas, l'avis sera publié dans le district, le comté ou les comtés-unis voisins. Dans les provinces de Québec et de Manitoba, les insertions seront faites dans un journal anglais et un journal français, s'il en existe des deux langues dans le district ; autrement, elles se feront en anglais et en français au même journal.

Il doit être signifié, à la diligence de l'époux pétitionnaire, un mois au moins avant la présentation de la pétition, une copie de cet avis à l'autre époux en personne, si cela est possible.

Aucune pétition en divorce n'est reçue après l'expiration des trente premiers jours de la session.

Toute pétition en divorce devra être écrite lisible et porter la signature du pétitionnaire. Elle énoncera sommairement le fait du mariage, le lieu et l'époque de sa célébration, les noms du célébrant, les griefs qui donnent lieu à la demande de redressement et la nature du redressement demandé, et en outre contiendra assurance qu'il n'y a pas eu réconciliation, collusion ni connivence. Les allégations de la pétition seront appuyées de la déclaration du pétitionnaire, faite en vertu de "l'Acte concernant les serments extrajudiciaires."

AT THE GOVERNMENT HOUSE AT OTTAWA.

Wednesday, the 20th day of January, 1892.

PRESENT :

HIS EXCELLENCY THE GOVERNOR GENERAL IN COUNCIL.

WHEREAS the Regulations governing the granting of yearly licenses to cut timber on Dominion lands established by the Order in Council of the 11th November, 1881, as well as by the Order in Council of the 17th day of September, 1889, chapter 98 of the Consolidated Orders in Council of Canada, provide that the licensee shall have in operation within one year from a date to be fixed in the license, and keep in operation for at least six months of each year of his holding, a saw-mill in connection with his berth capable of cutting daily at least one thousand feet board measure of lumber for every two and a-half square miles of the area licensed ;

And whereas this provision was enacted in order to encourage by every means the establishment of mills for the convenience of settlers who were removed from railways and other means of supplying themselves with lumber, and at a time when timber berths were granted without competition, and the result has

been the establishment of a very considerable number of mills, and every facility is now afforded for the purchase of manufactured lumber in almost every settlement in Manitoba, the North West Territories, and within the Railway Belt in British Columbia,—

Therefore His Excellency, being of the opinion that the time has now arrived when a licensee should not be called upon to construct a mill unless the establishment thereof would supply a local need, is pleased to order, under the provisions of chapters 54 and 56 of the Revised Statutes intituled respectively "The Dominion Lands Act," and "An Act respecting certain Public Lands in British Columbia," and by and with the advice of the Queen's Privy Council for Canada, that the Regulation which requires a licensee to have a saw-mill in operation upon his berth within a certain time, being subsection (d) of section 2 of the Regulations approved by the Order in Council of the 11th November, 1881, as well as subsection (f) of section 2 of the Order in Council of the 17th September, 1889, chapter 98 of the Consolidated Orders in Council of Canada, shall be and the same is hereby amended so that in respect of all licenses hereafter granted, the licensee shall be required to construct a mill and commence the manufacture of lumber from the timber on the tract covered by his license, within one year from the date when he is notified by the proper officer of the Department of the Interior that the Minister of the Interior regards such a step necessary or expedient in the public interest.

JOHN J. MCGEE,
Clerk, Privy Council.

J'ai l'honneur d'être,
Milord,

Votre très obéissant serviteur,

KNUTSFORD.

A l'Administrateur
du gouvernement du Canada.

EXTRAIT de la *Gazette de Londres*, de vendredi, le 27 novembre 1891.

TRAITÉ D'EXTRADITION ENTRE LA GRANDE-BRETAGNE ET LA RÉPUBLIQUE ORIENTALE DE L'URUGUAY.

AU CHATEAU DE WINDSOR,
24 novembre 1891.

PRÉSENTS :

Sa Très Excellente Majesté la REINE.

Le lord Président,
Le comte de Limerick,
Lord Walter Gordon-Lennox,
Sir James Fergusson, bart.,
M. A. J. Balfour,
Sir Charles Pearson.

(CONSIDÉRANT que par les *Actes d'Extradition*, 1870 et 1873, il est statué, entre autres choses, que chaque fois qu'un arrangement aura été conclu avec un Etat étranger au sujet de la reddition à cet Etat des criminels fugitifs, Sa Majesté pourra ordonner par arrêté en conseil que les dits actes s'appliqueront à l'égard de l'Etat étranger en question ; et que Sa Majesté pourra, par le même ou par un arrêté subséquent, restreindre l'opération du dit arrêté et limiter son application aux criminels fugitifs qui se trouvent ou sont supposés se trouver dans la partie des possessions de Sa Majesté spécifiées dans l'arrêté, et en rendre l'exécution sujette aux conditions, exceptions et restrictions qui pourront être jugées convenables ; et que si, par quelque loi adoptée après la sanction de l'Acte de 1870 par la législature de toute possession britannique, il est pourvu à l'extradition des criminels fugitifs qui se trouvent ou sont soupçonnés se trouver dans cette possession britannique, Sa Majesté pourra, par l'arrêté en conseil qui applique les dits actes à l'égard de tout Etat étranger, ou par tout arrêté subséquent, suspendre la mise en opération, dans toute telle possession britannique, des dits actes ou de toute partie de ces actes, en tant qu'ils se rapportent à cette puissance étrangère, et aussi longtemps que ces lois continueront d'y être en vigueur, et pas plus longtemps ;

Et considérant qu'un traité a été conclu le vingt-sixième jour de mars mil huit cent quatre-vingt-quatre, entre Sa Majesté et le Président de la République Orientale de l'Uruguay, pour l'extradition mutuelle des criminels fugitifs ;

Et considérant que par un arrêté de Sa Majesté la Reine en conseil, daté le cinquième jour de mars mil huit cent quatre-vingt-cinq, il est décrété que les Actes d'extradition de 1870 et 1873 s'appliqueront dans le cas de la République Orientale de l'Uruguay ;

Et considérant que dans un acte du parlement du Canada, passé en 1886, intitulé "Acte concernant l'extradition de criminels fugitifs," il est pourvu à la reddition des criminels fugitifs qui se trouvent ou pourront se trouver au Canada ;

Et considérant que par un arrêté de Sa Majesté la Reine en conseil, en date du dix-septième jour de novembre mil huit cent quatre-vingt-huit, il est décrété que l'opération des Actes d'extradition de 1870 et 1873 sera suspendue au Canada tant que les dispositions du dit acte du parlement du Canada de 1886 continueront en vigueur et pas plus longtemps ;

Et considérant qu'un protocole a été conclu le vingtième jour de mars mil huit cent quatre-vingt-onze, entre Sa Majesté et le Président de la République Orientale de l'Uruguay, pourvoyant à l'extension de la période stipulée dans l'article IX du susdit traité du vingt-sixième jour de mars mil huit cent quatre-vingt-quatre, lequel protocole est conçu dans les termes suivants :

"Monte Video le vingtième jour de mars mil huit cent quatre-vingt-onze, Leurs Excellences M. Ernest Mason Satow, compagnon de l'Ordre très distingué de Saint-Michel et Saint-George, ministre résident et consul général de Sa Majesté britannique, et le Dr Manuel Herrero y Espinosa, ministre des Affaires Etrangères, s'étant réunis au ministère des Affaires Etrangères dans le but de prendre des moyens pour prolonger la période stipulée dans l'article IX du traité d'extradition des criminels en vigueur entre leurs pays respec-

tifs, pour l'arrestation provisoire des personnes accusées d'aucun des crimes ou délits spécifiés dans le dit traité, et ayant échangé leurs pleins pouvoirs trouvés en bonne et due forme, ont adopté la déclaration suivante, laquelle sera censée former partie intégrante de la dite convention internationale :

"La période de trente jours fixée par l'article IX du traité pour l'extradition des criminels en vigueur entre la République Orientale de l'Uruguay et la Grande-Bretagne, pour l'arrestation provisoire des personnes accusées d'aucun des crimes ou délits spécifiés dans le dit traité, ayant été trouvée tout à fait insuffisante, les deux gouvernements consentent à ce que la dite période soit désormais fixée à soixante jours.

"En foi de quoi les dits plénipotentiaires ont fait dresser le présent protocole en double, et ont signé les deux copies, et y ont apposé leurs cachets à la date ci-dessus citée.

(L.S.)
(L.S.)

ERNEST MASON SATOW.
MANUEL HERRERO Y
ESPINOSA."

Et attendu que les ratifications du dit protocole ont été échangées à Monte Video le dix-septième jour de juillet mil huit cent quatre-vingt-onze.

C'est pourquoi Sa Majesté, par et de l'avis de son Conseil privé, et en vertu de l'autorité que lui confèrent les dits actes cités, ordonne et il est par le présent ordonné, que le et après le septième jour de décembre mil huit cent quatre-vingt-onze, les dits actes s'appliqueront dans le cas du dit protocole du vingtième jour de mars mil huit cent quatre-vingt-onze aussi amplement à toutes fins et intentions que dans le cas du traité précité en date du vingt-sixième jour de mars mil huit cent quatre-vingt-quatre.

Pourvu, toujours, et il est de plus par le présent ordonné que l'opération des dits Actes d'extradition 1870 et 1873 sera suspendue dans la Puissance du Canada, en tant qu'il s'agit de la République Orientale de l'Uruguay et des dits traité et protocole, tant que les dispositions de l'acte canadien de 1886 resteront en vigueur, et pas plus longtemps.

Et considérant que le 17e jour de novembre 1891, un arrêté de Son Honneur le lieutenant-gouverneur du Manitoba en conseil a été passé, attribuant les terrains ci-dessus mentionnés au gouvernement fédéral afin qu'ils pussent être concédés comme homesteads aux susdits colons, à condition qu'en leur lieu et place il fût fait au gouvernement provincial un octroi de la moitié est de la section 16 et du quart nord-ouest de la section 18, township 18, rang 3, à l'ouest du 1er méridien,—

HOTEL DU GOUVERNEMENT À OTTAWA.

Mercredi, le 20e jour de janvier 1892.

PRÉSENT :

SON EXCELLENCE LE GOUVERNEUR GÉNÉRAL EN CONSEIL.

CONSIDÉRANT que les règlements qui gouvernent l'octroi de licences annuelles pour couper du bois sur les terres fédérales établis par l'arrêté en conseil du 11 novembre 1881, ainsi que par l'arrêté en conseil du 17 septembre 1889, chapitre 98 des Arrêtés en conseil refondus du Canada, décrètent que le porteur de la licence devra exploiter dans une année de la date déterminée dans la licence, et poursuivre l'exploitation pendant une période d'au moins six mois chaque année, tant qu'il sera porteur de cette licence, et pour le service de son fond de bois, une scierie pouvant couper en vingt-quatre heures, au moins mille pieds de bois, mesure de planche, pour chaque deux milles et demi en superficie de la coupe ;

Et considérant que cette disposition a été établie afin d'encourager par tous les moyens possibles la construction de moulins pour la commodité des colons qui seraient éloignés des chemins de fer et autres moyens de se procurer du bois de construction, alors que les coupes de bois étaient accordées sans concurrence, qu'il en est résulté la construction d'un nombre très considérable de moulins et que presque chaque établissement dans le Manitoba, dans les Territoires du Nord-Ouest, et dans la zone du chemin de fer dans la Colombie-Britannique possède d'amples facilités pour acheter le bois fabriqué,—

En conséquence, il plaît à Son Excellence, croyant que le temps était arrivé où il n'était plus nécessaire qu'un porteur de licence construise un moulin à moins que cette construction ne serve un besoin local, d'ordonner, en vertu des dispositions des chapitres 54 et 56 des Statuts Révisés intitulés respectivement "Acte des terres fédérales," et "Acte concernant certaines terres publiques dans la Colombie-Britannique," et par et avec l'avis du Conseil privé de la Reine pour le Canada, que le règlement qui exige qu'un porteur de licence ait une scierie en exploitation sur sa coupe dans un certain délai, étant le par. (d) de l'article 2 des règlements approuvés par l'arrêté en conseil du 11 novembre 1881, ainsi que le par. (f) de l'article 2 de l'arrêté en conseil du 17 septembre 1889, chapitre 98 des Arrêtés en conseil refondus du Canada, soit et il est par le présent modifié de manière que toutes les licences accordées à l'avenir stipuleront que le porteur de la licence sera tenu de construire un moulin et commencer la manufacture du bois de service sur l'étendue comprise dans la licence, sous un an de la date où il sera notifié par l'officier compétent du ministère de l'Intérieur que le Ministre de l'Intérieur considère que cette mesure est nécessaire ou à propos dans l'intérêt public.

JOHN J. MCGEE,
Greffier du Conseil privé.
